Sociology John E. Farley,Michael W. Flota,J. Scott Carter,2024-09-30 This best selling textbook returns for an eighth edition with material on the most fundamental issues in sociology today The authors continue their tradition of focusing on the big picture with an emphasis on race class and gender in every chapter building on the seventh edition s discussion of reproductive justice after the revocation of Roe v Wade social movements such as Black Lives Matter and MeToo a discussion of the COVID 19 pandemic and Donald Trump and Joe Biden The text frames sociological debates around the major theoretical perspectives of sociology and focuses on capturing students imaginations with cutting edge research and real world events The hallmark of the book continues to be clear writing that helps students understand the intricacies of the discipline like no other textbook on the market New to the eighth edition Thinking outside the box or inside it Selected chapters contain thematically linked boxed inserts aimed at bringing analytical and expository focus to certain issues as follows Sociological Insights These boxes focus on how sociology can help us better understand a variety of issues and how examples from everyday life can help us to understand sociological principles illustrating how topics are carefully linked to

that material Global Sociology One of the most pronounced social changes of the past century has been globalization a transition from the dominance of nation states and national economies to global interactions These boxes examine how social change moves around the world Sociological Surprises One common criticism of sociologists is that we sometimes expend a great deal of effort to prove things that are obvious On the contrary the reality is that what we find often goes against what people commonly believe and even against what sociological researchers expect to find These boxes focus on such unexpected findings analyzing why the social reality turns out to be something different from what is expected

Understanding Race Class and Gender These boxes give added emphasis to the book s focus on race class and gender inequality In every issue that sociologists study race class and gender play a key role and these boxes provide students with clear and concrete examples of how this occurs Student Life These boxes which discuss student life from a sociological viewpoint show how sociology is relevant to students in their everyday lives covering race relations to dating to paying for college and draws out their sociological implications Putting Sociology to Work These boxes focus on application How can sociology be used to solve a social problem or to make an important decision

An Introduction to Sociology Ken Browne, 2005-04-29 Thoroughly revised and fully updated An Introduction to Sociology gives concise yet comprehensive coverage of all the topics specified by the GCSE examining boards The second edition was described by the AQA s Chief Examiner for GCSE Sociology as establishing the standard for textbooks at this level this new edition builds on the book s existing achievements New material is found throughout the book including substantive new sections on gender identity citizenship education new social movements poverty and the welfare state religion the mass media work and leisure and population The book has been carefully designed to support and extend students learning Each chapter begins with a summary of the key issues to be covered and goes on to highlight important terms which are then explained in a clear glossary Summaries at the end of each chapter a lively range of new activities and discussion points the use of websites as well as helpful suggestions for coursework all add to the book s value as a learning and teaching resource Student friendly cartoons tables diagrams and photographs and the re designed internal lay out also enliven the text making sociology seem exciting and relevant to students of all interests and abilities The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course especially at GCSE and related levels Students taking AS and A level as well as Access nursing and health and social care courses will also find the book provides an easy and fun introduction to studying sociology
