White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can't believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life *There's Something Funny about That!* Hermon Price, 2006-07 Hermon Price's sense of humor and gift of storytelling are evident in *There's SOMETHING FUNNY About That* a lively memoir that takes its readers from one hilarious event to another Price's memoir captures the humor in his growing up years his service in World War II his medical education and profession and his experiences as a father and a husband

Inside Jokes Matthew M. Hurley, Daniel C. Dennett, Reginald B. Adams, Jr., 2013-02-08 This evolutionary and cognitive theory of humor seeks to reveal the complex science behind why we crack up A sophisticated analysis written with clarity good cheer and of course wit Steven Pinker author of *How The Mind Works* Some things are funny jokes puns sitcoms Charlie Chaplin *The Far Side* Malvolio with his yellow garters crossed but why Why does humor exist in the first place Why do we spend so much of our time passing on amusing anecdotes making wisecracks watching *The Simpsons* In *Inside Jokes* Matthew Hurley Daniel Dennett and Reginald Adams offer an evolutionary and cognitive perspective Humor they propose evolved out of a computational problem that arose when our long ago ancestors were furnished with open ended thinking Mother Nature aka natural selection cannot just order the brain to find and fix all our time pressured misleaps and near misses She has to bribe the brain with pleasure So we find them funny This wired in source of pleasure has been tickled relentlessly by humorists over the centuries and we have become addicted to the endogenous mind candy that is humor

A Funny Thing Happened B. E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply
