When Kids Say They're Trans Sasha Ayad, Lisa Marchiano, Stella O'Malley, 2023-09-07 Being the parent of a gender questioning child is confusing You want to do what's best for your child but doctors and therapists might make recommendations that conflict with your instincts as a parent the person who best knows your child's unique history challenges and struggles Do you immediately affirm a newly professed gender identity watch and wait or pursue some other path While many books have been written for parents who choose to facilitate their child's gender transition there are almost no books for parents who do not think that social or medical transition is the best option for their child Written by Sasha Ayad Lisa Marchiano and Stella O'Malley three mental health professionals who collectively have decades of experience working with trans identified adolescents and their families When Kids Say They're Trans is a resource designed explicitly for those parents who do not think that hasty affirmation or medicalization is the best way to ensure the long term health and well being of their child It is also for those who simply aren't so sure about the best course of action and want to learn the facts before committing to a particular approach At a time when schools institutions and governments increasingly promote ideas about gender that confuse children and even encourage kids to keep secrets from their parents the authors celebrate parental love and engagement as the bedrock that children need to move out into the world As the authors make clear parents who have successfully helped their children navigate gender distress without resorting to surgery and hormones have done so by actively taking the reins not by reflexively outsourcing this responsibility or waiting until they found the ideal therapist or doctor When Kids Say They're Trans tells you all you need to know as a

parent to help your child struggling with gender issues and will give you the confidence to trust your own instincts as you guide and support your child on the path toward growth acceptance and maturity Above the Star Alexis Marie Chute, 2025-07-30 When frumpy senior citizen Archie goes in search of his missing son in the Spanish Canary Islands he stumbles upon a higher mission locating a magical cure for his ailing fourteen year old granddaughter Ella Using a portal jumping device called the Tillastrion Archie and a stone headed creature named Zeno are transported to Jarr Wya a magnificent yet terrifying island in a connected realm along with Ella and her strong willed mother Tessa who accidentally stow away on this not so secret quest What they find on Jarr Wya is an island tortured by a wicked Star anchored in the sea and a raging three way battle for dominion between the stone wielding Bangols the fiery Olearons and the evil Millia sands Ella s wit and resourcefulness emerge in this new world while Tessa is forced to confront her long buried secrets and a confusing new love triangle When Ella is captured Tessa and Archie with the help of a company of peculiar allies set out to save her and unravel the terrible mystery of her cure A mesmerizing stay up all night adventure of three unlikely heroes Above the Star reminds us that even the smallest act of bravery can transform our lives and the fates of the worlds around us

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
