Soul Evolution Father:

Soul Evolution Father Arthur Fanning,1995-01-01 Lord God Jehovah as channeled through Arthur Fanning reveals the course humanity must take to lead itself out of its fascination with density and the material into an expanding awareness that each human is a god with unlimited power and potential An enlightening journey into higher consciousness An Earthly Journey: The Story of One Soul's Evolution James Samuelson,2014-06-25 On the surface this book is the story of the author's sixty year journey that takes him from the Midwest to Arizona and finally to Virginia An Earthly Journey tells of those who impacted him on his journey The surface story though important is only one piece of the puzzle The story is also about a dog and higher dimensional entities a very special piece of land and a remarkable woman It is a love story that began long ago existing in many lifetimes It is James's story and it is Angelica's story and the book could not exist without both of them This book is a doorway a glimpse into a reality which is contrary to third dimensional conditioning an example of the possible It is an invitation for readers to understand their own journeys to put together all the random events of their lives and find the connections Ultimately the book is what you discover it to be and hopefully what it ignites within you **Five Lives on the Earth. Souls' Evolution. Volume 1** Boriele Sim,2015-09-29 If humans really have a highly developed mind and they are guided by a common sense relative to the creatures why history of mankind looks as a mad delirium Do you know why People who are we What awaits us Why you are on this planet now and why so many suffering here Do you believe the All Seeing really exists as well as His blessings and punishments Or your sins will decay with the body under the coffin lid Can you admit that your soul is deathless and previously it animated bodies of humans and creatures not necessarily monkeys What do you think about those who first incarnated in human form and have the same free will and rights as you Isn't that dangerous Do you know for what purpose the Creator has chosen for Himself people and why the eternal Chosen People eternally suffered from enemies If it's not quite known to you and you are interested to clarify who are you why are you here what will happen with you and what determines the future of mankind then this book is definitely for you Following after the thoughts of the main character a young American physicist and listening to his conversations with omniscient old man you will slightly open the amazing projections of the Supreme Truth which were ignored hidden and distorted by the interested power for about 3300 years up to nowadays The Original Source will answer your major life questions Why don't get knowledge from the Source Moreover without risk and for a great success in the eternal life **Ascension and Romantic Relationships** Joshua David Stone,Janna Shelley Parker,2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have

spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona

Creators and Friends Robert Shapiro, 1998-02-01 Humans creators in training have a purpose and destiny so heartwarmingly profoundly glorious that it is almost unbelievable from our present dimensional perspective Humans are great lightbeings from beyond this creation gaining experience in dense physicality by slowing down the creative process in order to feel the results and consequences of their decisions and actions This truth about the great human genetic experiment of the Explorer Race and the mechanics of creation is being revealed for the first time by Zoosh and his friends as humanity begins to awaken to its true nature Zoosh and a great assortment of beings who have never spoken to the physical plane before from particles to All That Is speak vibrantly through superchannel Robert Shapiro Each personality has its own knowing perception and expertise as it shares its history its present focus and the awesome truth about humanity's mission The books read like adventure stories as we follow the clues from this creation we live in out to the Council of Creators and beyond As we explore the greater reality beyond our planet our galaxy our dimension our creation we meet prototypes designers shapemakers creators creators of creators and friends of our Creator who explain their roles in this creation and their experiences before and beyond this creation As our awareness expands about the way creation works our awareness of who we are expands and we realize that a part of ourselves is in that vast creation and that we are much greater and more magnificent than even science fiction had led us to believe Join us in the adventure of discovery It's mind stretching

ETs and the Explorer Race Robert Shapiro, 1996-01-01 In ETs and the Explorer Race Robert Shapiro channels Joopah a Zeta Reticulan now in the ninth dimension who continues the story of the great experiment the Explorer Race from the perspective of his race The Zeta would have been humanity's future selves had not humanity re-created the past and changed the future Fascinating information on The true nature of the Zetas Abduction and contacts Who the different Grays are The three Zeta human hybrid races How the hybrids will interact with Earth Our extraterrestrial chromosomes

Origins and the Next 50 Years Robert Shapiro, 1997-01-01 The accounts given by extraterrestrials in this volume are about events that occurred in our solar system many millions of years ago In that ancient time the solar system consisted of four planets and four radiar systems that orbited the central sun The four planets of the solar system are known today as Venus Earth Mars and a now totally shattered world that was called Maldec The term radiar applies to the astronomical bodies we presently call Jupiter Saturn Uranus and Neptune The original satellites of these radiars are generally called moons by Earth astronomers but the extraterrestrials prefer to call them planetoids This book reflects the personal views of a number of different types of extraterrestrials regarding the state of the local solar system and the state of the Earth

The Soul Remembers Carlos Warter, 1992-06-01 A Parable on Spiritual Transformation What is the purpose of human life Who am I What is the reality of this world I find myself in Why do I find myself in the midst of certain troublesome circumstances Who among us has not pondered some of these questions at times On the outermost level this book is a teaching metaphor similar

to those used in all sacred traditions But behind the parable is cosmic perspective on essence individuality and relationships There is a view of human purpose soul design and divine direction that leads to a new look at the origin of suffering healing and the evolutionary dimensional shift Through the voices of archetypes of consciousness the book subliminally explores paths to power love beauty strength and mysticism It moves through different dimensions of reality while simultaneously focusing on the mental emotional and physical aspects of life as instruments of expression that can be tuned to a higher purpose The Soul Remembers is the expression of a spiritual journey that has assisted thousands in their own processes of self remembrance encouraging them to live more deeply and become personally responsible for cocreating heaven on earth
