**Constructing the Adolescent Reader in Contemporary Young Adult Fiction** Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions arguing that contemporary young adult novels depict readers as agents Reading these novels suggest is neither an unalloyed good nor a dangerous ploy but rather an essential occasionally fraught by turns escapist and instrumental deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys After an introductory chapter that examines the state of reading and young adult fiction today the book examines novels that depict reading in school gendered and racialized reading reading magical and religious books and reading as a means to developing civic agency These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency The Trade Off--My Husband/Your Wife Robert H. Rimmer, 2000-08 If you've ever had an affair or are divorced married again or still faithful and monogamous you may be completely shocked or might approve Karen Bradford's proposal to her husband Hank After eighteen years of marriage and three children she wants him to sign a marriage contract with a clause that from now on he will agree to a Succedaneum Marriage He doesn't know and has never met Tony Castellani who is married to Gina and has two kids or that Tony and Karen are lovers But a Succedaneum Agreement check the word in your dictionary would allow them to enjoy a second relationship and stay married Guaranteed You've never read a non stop detailed explicit sex and loving story like this It all takes place in Guadeloupe on Spring vacation where Karen hopes to mate her husband with Tony's wife and make her dream come true But alas taking their five children one Judy Bradford sixteen and another Marc Castellani seventeen along with them conniving a foursome vacation at free wheeling Club Libre isn't the right environment for their more puritanical spouses On top of that Marc who despises *Catcher in the Rye* thinks he's smarter than that phony Holden Caulfield ever was He's still a virgin but he's determined to mate with Judy Before that happens he inadvertently discovers that his father is making out with her mother at the same time Soufriere the volcano is about to explode Bob Rimmer who has chartered bare boats and sailed in most of the Caribbean Island loves Guadeloupe best Is this story based on fact Well sort of and it proves that the path he has carved in other stories through the jungle of potential expanded monogamy like corporate marriage in Proposition 31 and synergism in Thursday My Love is filled with rumbling volcanos
