Lochlainn Seabrook

The Caudills An Etymological Ethnological And Genealogical Study:

The Caudills Lochlainn Seabrook, 2016-01-15 The Caudills are one of America's largest and most historically interesting families. Originating in the South in the early 1700s, they have today spread out across nearly all fifty states, playing a vital role in the settling of America from Appalachia to the Pacific Ocean. A Caudill descendant himself, award-winning American historian Lochlainn Seabrook has penned a thoroughly captivating work entitled *The Caudills*, which focuses on the etymology of the family Caudill surname, the ethnology of the Caudills, and the genealogy of their ancestral line dating back to 16th Century Europe. Throughout its well-researched 300 pages, one will find a treasure trove of new, unique, and vital information, including a detailed discussion of the origins of the name and family, an extensive Caudill family tree, the Caudill family Coat of Arms, useful resources, and maps to Cawdor Castle in Scotland, with extra material on surname spelling variations and Caudill place names. The Foreword is by Delmerene Caudill of Letcher County, Kentucky. With its wealth of helpful research material, not only on this intriguing European American family but on allied families as well, *The Caudills* is a must-have for all Caudills, Caudill relations, and Caudill researchers. Unreconstructed Southern scholar Lochlainn Seabrook, the sixth great grandson of Henrietta Henny Caudill (1753-1836) and a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the new Shelby Foote, he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books. A seventh-generation Kentuckian of Appalachian heritage, Mr. Seabrook has a forty-year background in American and Southern history and is the author of the runaway bestseller *Everything You Were Taught About the Civil War is Wrong: Ask a Southerner*. **The Caudills** Lochlainn Seabrook, 2003

The Blakeney's Lochlainn Seabrook, 2010 Over ten years in the making, *The Blakeney's: An Etymological, Ethnological, and Genealogical Study* is the most detailed work ever undertaken on the origins and meaning of the Blakeney surname and family.

Aphrodite's Trade Lochlainn Seabrook, 2010 In *Aphrodite's Trade*, author Lochlainn Seabrook takes the reader on a journey of discovery from the biological foundations of prostitution among early humans to its sacred functions in the religions of the ancient world, then onto its vital role as a commercialized occupation in the 21st Century. Basing his findings on well-established primatological, anthropological, sociobiological, mythological, and archaeological data, he reveals what few have dared contemplate: because prostitution began as a survival mechanism among our ancestors several million years ago, it is literally part of our DNA. Rather than expending valuable resources trying to suppress it, the author argues, society would be much better off understanding, accepting, and decriminalizing it. The book is endorsed by Margo St. James, Carol Leigh, Norma Jean Almodovar, and Dolores French. The Foreword is by Xaviera Hollander, author of the international blockbuster *The Happy Hooker*. Often compared to English writer and poet Robert Graves, Lochlainn Seabrook is the sixth great grandson of the Earl of Oxford and the author of over thirty popular adult and children's books, including *Britannia Rules: Goddess Worship in Ancient Anglo-Celtic Society*, *The Book of Kells: An Introduction to Goddess Worship*, and
