The Centrality and Universality of Christ Witness Lee, 1994

Centrality of the Cross Mike Atkins, 2004-01-01 Paperback study guide

1 The Cry of the Human Heart deals with the truth that everyone in the world deep inside is looking for something to deliver them This teaching shows that the something that we seek is really someone

2 The Salvation of Sinners is broken into four teaching points In this DVD the theological terms Propitiation Redemption Justification and Reconciliation are defined and the concepts explained in a dynamic and unforgettable way

3 The Revelation of God Mike talks about the dimensions of the revelation of God s nature and character that can only be known through the study of the Cross

4 The Conquest of Evil explains how evil was defeated through Christ on the Cross and how that fact applies to each person who comes to Christ by faith Mike ends the last DVD with a simple illustration that has been instrumental in helping hundreds of people understand their need to personally receive Christ and how to enter into victory Christ achieved on the Cross Based in part on the writings of John Stott Carl F H Henry C S Lewis and other eminent scholars and hammered out through the personal crucible of over 25 years of teaching the topic around the world this series provides a penetrating and rarely understood journey into the true nature of what millions believe to be the most significant event in human history The Cross of Christ Taught with a combination of personal anecdote masterful illustration and revelatory insight it is impossible to experience The Centrality of the Cross without being profoundly impacted by its implications Whether skeptic or saint this teaching on the Cross will challenge your perspectives inspire your spirit and transform your understanding of this pivotal event and those who reverence it forever Mike Atkins is a man on a mission His mission is to see a unique teaching series place in the hands of millions of people in response to the release of Mel Gibson s controversial film entitled The Passion of the Christ The vision to do this came to me the first time I heard about Gibson s film Atkins said I suddenly realized that millions of people were going to see this film and be deeply and permanently impacted by it but many would come away from the film not really understanding the personal implications or how to respond to the things they will see portrayed on the screen Over twenty years ago Atkins was asked to teach on the subject The Centrality of the Cross as a guest lecturer at a Youth with A Mission training base in Amsterdam Holland That one week of teaching set the stage for what has been a lifelong call to teach the same series of lectures all over the world I discovered years ago that virtually all non Christians and most active believers have never really understood the full revelation of what happened during those hours Jesus spent on the Cross Atkins reminisced The more often I taught on the subject the more I saw the side gap between the events and theology of the Cross and the knowledge of the average person I am convinced that it is impossible to know God if you don t know the Cross He explains It impacts everything else in relationship to our understanding of what Christian truth is who God is and what He has accomplished in Christ The tragedy according to Atkins is that most people think they get it when they have never really heard it He continues When they finally hear this teaching on the Cross it s like alight comes on All of the bits and pieces that

they've heard here and there suddenly come together like a puzzle and they see the Cross for the first time The thought of combining the visual images of Gibson's film with the depth explanation that The Centrality of the Cross provides seemed like an opportunity too great to overlook Atkins concludes You can view a promotional trailer of the teaching at www.centralityofthecross.com As Julie McKnight our graphic artist said after hearing the teaching for the first time nothing can really prepare you for what this teaching is all about everyone needs to hear these truths again and again In this age of pop culture and pop philosophy your teaching still burns in my heart like an ancient altar fire illuminating the darkness Seattle Washington After attending this week I will never be able to see a Cross again without my whole vision of the world and my place in it being forever changed Holland I was skeptical at first but now I know that the time I've spent listening to your teaching will always be a rare and priceless gift in my life Romania Although I am not a Christian I have to admit that this course opened my mind to ideas about the story of the cross that I never understood or even considered Some of the explanations that you presented overwhelmed me and answered questions I have had all of my life I very much want to study more and am committed to searching these ideas further Germany My heart was healed my mind was enlightened my life was changed I will never forget you or the things you've taught us New Zealand Extraordinary Yorkshire England Mike Atkins is one of the best preachers and teachers in Christendom Moreover he teaches and preaches on the core principles of the Christian faith in a way that the contemporary non believer can understand and relate to Best of all he manifests God's grace in all that he does If you have not heard Mike reveal the Centrality of the Cross you must do so it will change your life Dr Ted Baehr Founder and President Christian Film and Television Commission I thought I understood everything about Christ and the Cross But in this teaching Mike Atkins reveals a new layer of the Father's loving intent toward us The mystical depths the cultural purposes the perfect plan I promise you after this study your life won't be the same Deborah Bedford Best Selling Author Time Warner Books Mike's uncommon insight into the nature of Christian truth and his simple yet profound explanations regarding the personal implications of that truth is unveiled with all the skill of a master teacher Dr M G McLuhan Missionary Statesman and Pastor
