The Chimerium Gambit:

The Chimerium Gambit James Daniel Ross,2013-12 They say you need three things Honor Integrity Courage What you really need is the nerve to fly half a billion light years touch down on alien soil and fight in a major land war every other week In the far future aerospace navies ply the void between planets guarding their governments against threats These monuments of complexity and cost drain the coffers of the people and require constant upkeep as well as endless training for their professional crews Wars are fought in the cold uncaring expanse of space except when everything goes horribly wrong When the enemy sets foot on your soil when civil unrest or revolution raise their bloody hands to the stars when governmental factions leave words behind and reach for guns and knives and bombs there is little that the aerospace navies can do This is when planets contact mercenaries the last scions of professional ground troops Teams like The Radiation Angels Lead by Captain Todd Rook this misfit crew is contracted for a standard coup but they are betrayed by their employers The Radiation Angels must wager their fortunes their friends their very lives on a plan that will make them rich beyond kings or ensure their painful demise A gamble that will become known as The Chimerium Gambit Their journey will take them across the known universe and lead to a deadly showdown between Rook and the assembled might of a dictator It is a duel that will take place without reinforcements without proper equipment and in the worst cesspool of all the colonies Mars

The Chimerium Gambit James Daniel Ross,2018-10-15 **The Radiation Angels** James Daniel Ross,2006-06-01

When civil unrest strikes a planet when invaders get past the navy and start their ground assault when terrorist forces attempt to topple a government you can call for help Planets contact the last vestige of ground soldiery Mercenaries As long as the mercenaries get paid as long as everybody plays by the rules everything is fine Captain Todd Rook is in charge of an elite fighting force The Radiation Angels Armed with searing plasma cannons armor piercing railguns or semi smart explosives these are the high tech warriors who get the dangerous jobs done Though contracted to enter battle on Ashley 9 at every turn it appears that their employers are set on making their job as difficult as possible They were promised generous pay an easy battle and spoils of war All these promises are broken Faced with economic ruin Rook decides to bet his life and the lives of the Angels on a long shot that will put them all in mortal peril It s a gamble that will take them across the known universe to the most lawless planet in all the colonies Mars Chased by cyborgs enemy mercenaries and an aerospace task force Rook has bet that everything he cares about up The Chimerium Gambit

The Key to Damocles James Daniel Ross,2009-04-01 The man is back In this sequel to The Chimerium Gambit Rook is hired by his old teammate Manuel Ortega to travel to planet Persephone and stem the endemic violence Follow this action packed space adventure as Rook pits his legendary tactical genius against a power hungry law enforcement agency director a radical revolutionary a heavily biased media a terrified population and a shadowy secret society Can he unravel the secrets that seek to strangle this once vibrant planet Can he pull the plug on the revolution that robs the people of their homes and jobs In a society clearly near the

breaking point can even the Captain of The Radiation Angels find a way to make a difference Read as he desperately struggles to bring an end to the wanton self destruction and save a planet from consuming itself in a spectacular riot of lies and hate Join the fight as Rook uncovers the machinations that have lead to the downfall Ortega s home world He will travel from city to city far into space and into the deepest recesses of Persephone It is a mystery that will lead across the galaxy all the way back to Earth and will ultimately reveal the Key to Damocles **Counter Gambits** T. D. Harding,2013-01-18 The author reveals how to win games with Black by proposing the method of calculated aggression covering such topics as dynamic counterplay counter gambits in open games Black sacrifices in the half open games counters to the Queen s Gambit and Indian Counter Gambits Includes 67 fully annotated games and another 25 complete games in theoretical notes
