The Christian Watt Papers:

The Christian Watt Papers Christian Watt, 1988 **The Christian Watt Papers** Christian Watt, 2023-12-05 Caught between these covers is the authentic forthright voice of Christian Watt servant girl lady's maid and fishwife Born in 1833 her working life began in domestic service before the age of nine and ended with her selling her husband's catch from door to door The tragic death of most of her close male family her husband four brothers and her favorite child drowned by a sudden squall that sunk their boat robbed her of her sanity But cared for in the remarkable Cornhill Asylum in Aberdeen a kindly doctor encouraged her to write her memoirs in pencil In 1983 this bundle of papers which included other family documents was turned into a book by the historian David Fraser and has been saluted as the Montaigne of Scotland **Half Length Portrait of Christian Watt Seated and Holding Papers on Lap** Connon Collection, Christian Watt, Thomas Connon, John Connon, Elora (Ont.), 1851 **Victorian Servants, Class, and the Politics of Literacy** Jean Fernandez, 2009-09-10 In this volume Fernandez brings the under examined figure of the Victorian servant out of obscurity in order to tell the story of his or her encounter with literacy as imagined and represented in nineteenth century fiction autobiography pamphlets and diaries A vast body of writing is uncovered on the management of servant literacy in Victorian periodicals advice manuals cartoons sermons books on household management and pornography thereby revealing that the domestic sphere was a crucial war zone in the battle over mass literacy By attending to how fictional and nonfictional texts of the age feature literate servant narrators she demonstrates how the issue of servant literacy as a cultural phenomenon has profound implications for our understanding of the nexus between class mass literacy voice and narrative power in the nineteenth century The study reads canonical fiction by Mary Wollstonecraft Emily Bronte Elizabeth Gaskell Wilkie Collins and R L Stevenson alongside popular detective fiction by Catherine Crowe the Diaries of Hannah Cullwick and best selling pamphlets of the age while introducing to Victorian scholarship hitherto little known or unknown servant autobiographies that address life history as an engagement with literacy **The Death of Christian Britain** Callum G. Brown, 2013-04-15 The Death of Christian Britain uses the latest techniques to offer new formulations of religion and secularisation and explores what it has meant to be religious and irreligious during the last 200 years By listening to people's voices rather than purely counting heads it offers a fresh history of de christianisation and predicts that the British experience since the 1960s is emblematic of the destiny of the whole of western Christianity Challenging the generally held view that secularization has been a long and gradual process beginning with the industrial revolution it proposes that it has been a catastrophic short term phenomenon starting with the 1960 s Is Christianity in Britain nearing extinction Is the decline in Britain emblematic of the fate of western Christianity Topical and controversial The Death of Christian Britain is a bold and original work that will bring some uncomfortable truths to light **Sisters of Fortune** Jehanne Wake, 2012-02-28 The first American heiresses took Britain by storm in 1816 two generations before the great late Victorian beauties Marianne Louisa Emily and Bess Caton

were descended from the first settlers in Maryland and brought up in Baltimore by their grandfather Charles Carroll one of the Signers of the Declaration of Independence **Scottish Women** Esther Breitenbach, 2013-06-24 A sourcebook illustrating the experience of Scottish women from 1780 1914 Drawing on a wide range of source materials from across Scotland this sourcebook provides new insights into women's attitudes to the society in which they lived and how they negotiated their identities within private and public life Organised in thematic chapters it moves from the private and intimate experiences of sexuality health and sickness to Scotswomen's migrations across the British empire illustrating many facets of women's lives domesticity and waged work defiance of law and convention religious faith and respectability political action and public influence A range of fascinating and rich source material sheds new light on the lives of women across Scotland throughout the long nineteenth century demonstrating the pervasiveness of discourses of appropriate feminine behaviour but also women's subversion of this It raises challenging questions for researchers about the identification of women's voices where these have been muted by class religion or ethnicity while at the same time providing a methodology for uncovering these **Myth and materiality in a woman's world** Lynn Abrams, 2013-07-19 Shetland has a history unique in Europe for over the past two centuries it was a place where women dominated the family economy and the cultural imagination Women ran households and crofts without men They maintained families and communities because men were absent And they constructed in their minds an identity of themselves as liberated long before organised feminism was invented And yet Shetland is a place which was made by the most masculine of societies those of the Picts Scots and above all the Vikings and its contemporary identity still draws on the heroic exploits and sagas of medieval Norsemen This book examines how against this tradition Shetland became a female place and offers answers as to how in this most isolated island community the inhabitants transgressed and reversed their traditional gender roles Reconstructing this woman's world from fragments of cultural experience captured in written and oral sources this book will appeal to scholars in the fields of social and cultural history social anthropology gender and women's studies *Historic Fraserburgh* Richard D. Oram, Ali Cathcart, Paula Martin, Charles McKean, Tim Neighbour, 2010 Part of the Scottish Burgh Survey designed to identify the archaeological potential of Scotland's historic towns the book examines Fraserburgh's historic development from the late medieval period to its heyday as a fishing port in the early twentieth century Prizing Scottish Literature Stevie Marsden, 2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society's Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural

milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly
