**The Dax Corvo Cases - Five Echoes of an Unseen Truth** Gaurav Garg, Meet Dax Corvo The Man Who Tastes the Truth In a city of secrets and lies some crimes are too strange too perfect too impossible for traditional police work When the clues make no sense when the murder weapon is invisible and when the killer is a ghost they don t call a detective They call a consultant They call Dax Corvo Dax is not a psychic He is not a magician He is a man with a rare and powerful neurological condition known as associative synesthesia For him the world is a symphony of sensory information that no one else can perceive He doesn t just solve crimes He experiences them A lie isn t

just a falsehood it has a taste often like burnt sugar or cold jagged metal A hidden emotion like a killer's rage or a victim's fear isn't just a concept it hangs in the air with a distinct scent The echo of a violent act doesn't just fade it leaves behind a sound a dissonant chord that reverberates only for him This gift makes him the most formidable investigator alive able to perceive the hidden architecture of a crime to read the story written in the sensory residue of an event But this gift is also a profound curse Once the most brilliant forensic analyst in federal law enforcement Dax's career was shattered when a manipulative killer a monster of supreme intellect discovered his secret This killer didn't just commit murder he composed it He learned to play Dax's senses like a musical instrument crafting a crime scene with false sensory clues that led Dax to accuse an innocent man destroying multiple lives and Dax's faith in his own mind Now Dax Corvo works in the shadows a reluctant consultant battling the ghosts of his past and the sensory noise of the present He takes on the cases no one else can solve facing killers who operate on the very edge of reality all while fighting to trust the senses that once betrayed him so completely His adventures will pull you into a world where the mysteries are as unique as the man who solves them

*The Echo of Drowning* How do you find a killer when the victim drowned in a perfectly dry hermetically sealed room Dax's senses detect the impossible taste of salt water pointing to a murder that science says could not have happened

*The Silence of the Marionettes* A beloved philanthropist is found dead surrounded by posed puppets The crime scene is a work of art but it leaves behind no clues no DNA no cause of death and for Dax no sensory echo He must hunt a killer whose signature is a terrifying absolute silence

*A Taste of Deceit* A celebrity chef collapses and dies on live television his symptoms screaming poison But when the autopsy finds nothing Dax is left with a single phantom clue the lingering taste of bitter almonds He must unravel a murder where the weapon was not a chemical but an idea

*The Color of a Lie* A faceless entity named Janus begins exposing the city's darkest secrets leading to a wave of public suicides The hacks are perfect untraceable The only clue is a bizarre impossible color woven into the data a signature that only Dax can see forcing him to seek help from the one man who knows how to break his mind

*The Sound of a Closed Circle* Lured to a remote snowbound resort Dax finds himself trapped with the five people responsible for his downfall When a murder occurs the sensory clues the scent of his own cologne the sound of a clock from his office are a perfect symphony of his guilt He must solve the crime while being framed by his own senses

Step into the world of Dax Corvo where the truth has a flavor and every lie leaves a stain If you are a fan of high concept mysteries that blend the intellectual rigor of Sherlock Holmes with the visceral psychological depth of a modern thriller his adventures are waiting for you

*The Viking's Mate Hunt* Maria Elise, 2023-08-16 Little bunny little bunny Wolf is HUNGRY The voice taunted me followed by an evil cackle Run rabbit RUN A monstrous bellow boomed through the night sky and crashed into my soul like a sledgehammer I could feel a chill sweeping across my body and my heart pounding in my chest The echoes of howls and laughter followed me from behind as I ran for my life Elisabeth's life had been harder than most since she was a child a distant and often cruel mother and her never ending cycle of addiction that had taken over her

life But on this fateful night something far more sinister was lurking in the darkness ready to take her away from it all Massive figures appeared out of nowhere growling and taunting her She tried to scream but nothing would come out before she knew it she was waking up in a world where Viking werewolves ruled with mysterious faeries at their side Every five years they traveled to the human realm collecting ten girls for their mate run and tonight Elisabeth was one of them With only a white dress and her bare feet Elisabeth stood beside the other nine girls as the beasts prowled around them menacingly A silver dagger pierced each of their wrists signaling the start of the hunt We honor the moon goddess let your blood lead your mate to you
