The Caroline Myss Audio Collection:

The Essential Wayne Dyer Collection Wayne W. Dyer, 2013 *Excuses Begone* Offers guidance in reconnecting with one's spiritual source to find direction and meaning in all areas of life *You Are What You Think* Dr. Wayne W. Dyer, 2018-10-02 Whether you think a thing is possible or impossible either way you'll be right And you'll see the rightness of your thoughts manifesting everywhere you go Wayne Dyer 365 musings and reflections drawn from the work of international best selling author and beloved spiritual teacher Dr Wayne W Dyer One of Hay House's most beloved authors known worldwide as the father of motivation Dr Wayne W Dyer was at the forefront of the personal transformation movement for decades So many of us were touched by Wayne's charismatic yet grounded way of speaking and writing You may fondly remember watching one of his PBS specials or seeing him speak onstage at the many events he so loved doing throughout the years Perhaps you were browsing a bookstore and found yourself drawn to a title only to discover words that would change the course of the rest of your life Or perhaps this is your first encounter with the wisdom of Wayne and you're not quite sure what this book has in store for you In this collection of quotes spanning Wayne's decades long career you'll find witty bon mots that make you laugh enigmatic phrases that make you think and wise passages that remind you of the power of your beliefs You'll see how his focus shifted through the years from discussing the way of no limit living and empowering people to free themselves of their excuses to finding inspiration through living in Spirit and discovering the beauty of the Tao As you read a quote each day or flip through the pages at random to find insight we hope you take to heart the meaning behind one of Wayne's favorite sayings When you change the way you look at things the things you look at change *The Shift* Dr. Wayne W. Dyer, 2019-05-30 *The Shift* a companion book to the movie of the same name illustrates how and why to make the move from ambition to meaning Such a shift eliminates our feelings of separateness illuminates our spiritual connectedness and involves moving from the ego directed morning into the afternoon of life where everything is primarily influenced by purpose As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It's almost a universal law that we'll experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose *The Shift* doesn't mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than never ending demands and false promises that are the trademark of the ego's agenda As Dr Wayne W Dyer so eloquently reveals in these pages we all have the choice to shift our lives from ambition to meaning and thereby complete our return to the Source that created us

Words on Cassette, 2002 R R Bowker Publishing, 2002 **Excuses Begone!** Wayne W. Dyer, 2009 Dr Dyer reveals how to change the self defeating thinking patterns that have prevented people from living at the highest levels of success
