The Case Files Of Sherlock Holmes:

The Case Files of Sherlock Holmes Arthur Conan Doyle, 2009 The Unsolved Case Files of Sherlock Holmes Stewart Ross, 2023-08-17 For all puzzle aficionados who have long been devotees of the great detective's ingenious methods this book is finally your chance to pit your wits against the Great Detective **The Lost Case Files of Sherlock Holmes** Alex Prior, 2020-11-23 The game is afoot Again A brand new anthology of Sherlock Holmes stories beautifully written in the style of the originals with meticulous attention to period detail and fiendish plotting Holmes and Watson are at the height of their powers and in thrilling action from the corridors of the British Museum to the deck of a battleship in *The Curse of the Purser's Mate* and on to New York for the horrors of the Burning Men If you are a fan of the original Conan Doyle stories then this book that seamlessly mixes authentic short and extended feature length stories is for you This is the Holmes and Watson you know and love Professional praise for the *Lost Case Files of Sherlock Holmes* includes I have rarely been so impressed by the competence of a piece of writing It's a hard task to follow the master but you have succeeded The voices of the two main characters are authentic and you make them sing from the page My verdict on the volume is that it is astoundingly successful I think you will gain many fans and followers Quite simply it was a pleasure to read *The Case Notes of Sherlock Holmes* Arthur Conan Doyle, 2020-05-12 Fans of Sherlock Holmes can revisit the great detective's most famous cases as compiled by Dr John Watson of course in this portable bind up of *The Case Files of Sherlock Holmes* and *The Return of Sherlock Holmes* Delve deeper into the world of Sherlock Holmes *The Case Notes of Sherlock Holmes* contains the files on which Watson based his later more elaborate accounts of Holmes's investigations Inside this scrapbook you'll find letters sketches newspaper articles and other documents sometimes mentioned in the more familiar forms of these stories but often neglected They include Watson's sketches of the paw prints discovered near Sir Charles Baskerville's body Holmes's drawings and notes of the Dancing Men and Sherlock Holmes's heartrending letter to Watson before his violent struggle with Moriarty in *The Final Problem* Painstakingly researched beautifully designed and packaged and rich in period detail this book brings 221B Baker Street vividly to life **From the Case Files of Sherlock Holmes** Andrew Salmon (Pulp fiction writer), 2014 **Sherlock Holmes** Mark Mower, 2021-05-22 Following the success of the earlier volume *A Farewell to Baker Street* we have another collection of previously unknown Holmes and Watson tales that will excite the interests of readers across the globe *The Baker Street Case Files* A decade before his death Dr Watson let it be known that with his passing he wished his nephew Christopher Henry Watson MD to be the executor of his will and guardian of all his personal and pecuniary affairs One of the tasks he sanctioned was that his nephew should use his discretion in selecting for publication some of the three dozen or so cases involving Holmes and Watson which had not already seen the light of day These seven new stories shed more light on the remarkable talents of Mr Sherlock Holmes The first in the collection *The Case of the Rondel Dagger* occurred before Holmes and Watson met *The Mile End Mynah Bird* is a fascinating tale set in the period

beyond The Great War when both men appear reluctant to retire From the plotting of The Radicant Munificent Society to the hidden message of The Manila Envelope there is much to entertain and enthrall us As before these tales are designed to contribute in some small part to the lasting memory of two extraordinary men who once occupied that setting we have come to know and love as 221B Baker Street Once again The game is afoot **Sherlock Holmes - The Baker Street Legacy** Mark Mower,2019-12-03 Following the success of the earlier volume The Baker Street Case Files we have another collection of previously unknown Holmes and Watson tales that will excite the interests of readers across the globe The Baker Street Legacy A decade before his death Dr Watson let it be known that with his passing he wished his nephew Christopher Henry Watson MD to be the executor of his will and guardian of all his personal and pecuniary affairs One of the tasks he sanctioned was that his nephew should use his discretion in selecting for publication some of the three dozen or so cases involving Holmes and Watson which had not already seen the light of day The eight stories in this volume are more overlooked gems The first in the collection A Day at the Races is set in 1880 before Dr Watson had become the chief chronicler of the Great Detective s work The French Affair is a fascinating tale set in that period beyond 1891 when the world was led to believe that Holmes had died at the Reichenbach Falls grappling with the villainous Professor Moriarty From the allure of The Fashionably Dressed Girl to the operation of The Influence Machine there is as always much to entertain and enthrall us As before all of these tales are designed to contribute in some small part to the lasting memory of two extraordinary men who once occupied that setting we have come to know and love as 221B Baker Street Once again The game is afoot *The Casefiles of John Bird* Winston Rice,2002 The Casefiles of John Bird is different than most other mystery books in the mystery story genre Yes there are mysteries that John Bird solves A couple of them would do even Conan Doyle proud However that s where Bird moves in a different direction John Bird may solve mysteries but he is a little more human than just a detective Bird has a bible class and he instructs children in the Bible In one chapter he hires a prostitute as his secretary to rehabilitate her into society I think a mystery devotee will enjoy this collection of stories about a rather unusual crime solver I enjoyed writing the Casefiles I have a feeling you ll enjoy reading it says Author Winston Rice
