The Case For Echad The Trinity Or One:

The Case for Echad Nmz Theodore Meredith Tm, Theodore Meredith, 2012-04-15 Many Christians are not aware of the fact that the doctrine of the Trinity is not scriptural and the word Trinity is not found anywhere in the pages of Scripture This doctrine proved highly contentious in the early Church and was only accepted as cannon of belief through the political maneuvering and might of the Roman Empire It is today a central belief of both the Catholic and Protestant faith but not without its continued challengers Support for its construction comes primarily from Renewed Covenant Scriptures of which has been misconstrued and misapplied to support its belief It is certainly not a Hebrew construction This doctrine was widely rejected by the early followers of Yeshua Nazarenes who were all essentially monotheistic believing in the Echadness oneness of YHWH

The Jewish Trinity Yoel Natan,2003 Conventional wisdom states that the Hebrew Scriptures only hint that there are persons of Yahveh This book shows that Moses and other Bible writers wrote strikingly and often both about the Trinity and the deity of the Messiah The Old Testament is as explicit about the Trinity and the deity of the Messiah as is the New Testament The reader of this book will come to know the Trinitarianism in the Hebrew Scriptures that Yahvists knew The reader of this book will come to read the Bible the same way the inspired writers intended it to be read as Trinitarian

The Oneness of God and the Doctrine of the Trinity Kulwant Singh Boora,2009-10-26 The teaching that God is one was paramount in Old Testament theology since the introduction of the New Testament the concept of one God continued and was expanded by and through Jesus in Second Temple Monotheism With this in mind the Bible does not teach the concept of the Trinitarian doctrine The Apostles including the New Testament Church were pure monotheistic and oneness believers knowing and understanding that God is one and not one substance and three persons Therefore this book has addressed a variety of issues and provided a body of literature and authority supporting the position that God is numerically one and that the Trinitarian doctrine is a human construct and product that is unscriptural and unbiblical which evolved over the centuries being fueled by man made creeds and ideologies It is not surprising then that even Trinitarians struggle to define the Trinitarian doctrine suggesting it is a mystical revelation when in fact others have argued that it is

PHD,2013-07-16 Aletheia Eleutheroo uh LAY they uh eh loo they RAH oh is the eagerly anticipated Christian doctrine series from James Maloney Not your typical textbook Volume 1 Establishing the Glory of the Godhead is written with the same conversational tone and humorous wit that Dr Maloneys other books are known for Basic Christian doctrine is not supposed to be boring it is truth full of life and the power of God Our knowledge of God and His Word and Spirit are the basis for a release of the supernatural in our day to day activities And yet in depth study is difficult for us in our busy lifestyles Whats a sincere Christian supposed to do James compiles nearly forty years of study and teaching in Bible colleges around the world and condenses it all into an easy to read guidebook exploring topics such as the inerrancy and infallibility of the Bible hermeneutics and homiletics the Trinity the names of God the attributes of the Father the dual nature of Jesus Christ the God Man sin and salvation and the work of the Holy Spirit in our lives He seeks to equip us and turn us into Truth Warriors of the Supernatural The truth will set you free and this book can help you know that truth in a greater way than ever before The Trouble with the Trinity Carlos A. Pinkham,2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page https://www.facebook.com/TTWTTrinity/view_public_for/100820838002256 *The Triunity of God* Russell Sharrock,2013-07-26 This book discusses and outlines the Trinity or Triunity of the Godhead establishing the biblical basis for the doctrine it reviews other beliefs that disagree with the Trinity

such as The Word Faith Movement Jehovah's Witnesses and the Oneness Pentecostals it looks at issues such as Jesus Died Spiritually the Gender of God and the Equality of the Members of the Godhead Subordinism It outlines the Trinity in such a way that it would not be difficult to understand the composite of the Godhead **The Doctrine of the Trinity** Sir Anthony Buzzard, Charles F. Hunting, 2023-11-30 This important work is a detailed biblical investigation of the relationship of Jesus to the one God of Israel The authors challenge the notion that biblical monotheism is legitimately represented by a Trinitarian view of God and demonstrate that within the bounds of the canon of Scripture Jesus is confessed as Messiah Son of God but not God Himself Later Christological developments beginning in the second century misrepresented the biblical doctrine of God and Christ by altering the terms of the biblical presentation of the Father and Son This fateful development laid the foundation of a revised unscriptural creed that needs to be challenged This book is likely to be a definitive presentation of a Christology rooted as it originally was in the Hebrew Bible The authors present a sharply argued appeal for an understanding of God and Jesus in the context of the original Christian documents For additional information visit the author's website at www.restorationfellowship.org
