## **The Chanel Cavette Story From The Boardroom To The Block:**

*The Chanel Cavette Story* NaKoreya Roberson, 2017-12-02 Coco was a dope boy's girlfriend. She had no ambition, morals, or standards. She was a loud mouth, gold teeth, having blond weave, wearing six inch heels, and fingernail swinging woman. Her passion for life and becoming a better person and mother for her child was nonexistent. Coco lived life to the fullest every single day, seven days a week. Once her man goes to jail and the money runs out, the friends she thought she had along with his business partners are no longer there. Coco is forced to have an epiphany about life. She soon learns that depending on a man was never cute or acceptable. Five years later, Chanel, formally known in the hood as Coco, is climbing her way to the top of the corporate ladder. Her past life is behind her and she is enjoying her new surroundings, friends, and lifestyle. No, she isn't wearing Gucci and Prada again, but she's comfortable in her new threads. The first man she ever loved and gave her heart too has been released from Federal Prison. The only thing on his mind is Coco. Coco no longer exists and no matter how much Chanel wants to put that life behind her, love has a stronghold on her like she's never thought. When he asks her to handle something very important for him and she has to risk her new life in order to complete the mission, Chanel doesn't know what to do. She soon realizes that she struggled her whole life for no reason. Chanel goes on a journey to put the pieces of her puzzle together. In doing so, she finds out that her name holds weight in the underground world. Chanel goes from the block to the boardroom and back to the block. She seeks revenge and the truth. Take a wild ride into the corporate life of Chanel Cavette. She was the female you thought you already knew, but you're in for a rude awakening.
