The Charismatic Movement:

A History of the Charismatic Movement in Britain and the United States of America Stephen Hunt, 2009 **The Pentecostals** Walter J. Hollenweger, 1972 *The Charismatic Movement in the Churches* *Streams of Renewal* Peter Hocken, 1997 A survey of the contributory streams that flowed into the charismatic movement in Great Britain up to and including 1965 **Christianity and Socio-cultural Issues** Rhodian G. Munyenembe, 2011 Chapter 1 A historical overview of the church in Malawi in relation to social cultural issues Chapter 2 The Charismatic Movement an exposition Chapter 3 The Charismatic Movement and contextualization in Malawi Chapter 4 The conclusion of the matter *The Charismatic Movement* Charles Edwin Jones, 1995 **Asian and Pentecostal** Allan Anderson, Edmond Tang, 2005 Provides a thematic discussion and case studies on the history and development of Pentecostal and Charismatic churches in the countries of South Asia South East Asia and East Asia *Filled with New Wine* James William Jones, 1974 *Charismatic Christianity* Stephen J. Hunt, Tony Walter, Malcolm Hamilton, 2016-07-27 The charismatic movement has a high profile in contemporary Christianity The book's contributors include insiders and outsiders charismatics and sociologists with Britain as their focus they trace the movement's international connections historical development and variety The book provides a wealth of information and analysis which will interest both those within the movement and students of religion wanting to know more about it *The Divided Flame* Howard A. Snyder, Daniel Runyon, 2011-11-07 Wesleyan churches Pentecostal churches and the modern charismatic movement trace their theological roots to John Wesley Yet these groups have gone separate ways in interpreting the role of the Holy Spirit in the life of the church often regarding one another with suspicion or distrust In *The Divided Flame* Dr Howard Snyder a Wesleyan minister calls Wesleyans and charismatics to reexamine how they parted ways He finds that they still have a great deal in common theologically and he proposes that this common ground should serve as a basis for dialogue How does a Wesleyan dialogue with charismatic Christianity asks Snyder Rather than comparing our theology or practice point by point we have chosen to address the central question that charismatic Christianity raises for us In what sense is Christian experience the church charismatic If the charismatic movement raises valid biblical questions for us and it does then it is more important to deal with those questions than merely to catalog the pluses and minuses of the movement This book reviews the history of Wesleyan and charismatic thought evaluating them in light of Scripture's norms for church life A provocative study *The Divided Flame* should bring fresh perspective to the controversy surrounding modern charismatic theology **The Charismatic Movement in the Church of England**, 1981
