The Christology Of Early Jewish Christianity:

The Christology of Early Jewish Christianity Richard N. Longenecker, 1994-10 Letters and Homilies for Jewish Christians Ben Witherington III, 2010-04-09 In this commentary on Hebrews James and Jude Ben Witherington III applies his socio rhetorical method to elucidate these letters within their primarily Jewish context probing the social setting of the readers and the rhetorical strategies of the authors of the letters Eusebius, Christianity and Judaism Gohei Hata, Harold W. Attridge, 2022-10-04 Eusebius of Caesarea lived at a crucial turning point in the history of the Christian church He was an important witness to the polemical and apologetic attitudes that characterized much early Christian literature The most voluminous writer of the early fourth century he was also the first comprehensive historian of his community seeking a philosophy to explain the whole course of history from the beginning to his own time This volume places Eusebius work in proper perspective The contributors all recognized specialists in early Christianity shed light on the person and circumstances of Eusebius himself This collection of essays focuses on elements of the story that Eusebius tells the story of the early church its relationship to Judaism or its confrontation with the Roman Empire and explores gaps left by Eusebius The writers offer a cross section of current scholarly methods in the study of early Christianity and Judaism The Biblical World Katharine J. Dell, 2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts **'You Are a Priest Forever'** Eric Mason, 2008-01-31 Scholars have long questioned the conceptual background for the priestly Christology of the Epistle to the Hebrews with suggestions including Gnosticism the thought of Philo of Alexandria common themes in early Christian theology and exegesis and the creativity of the author of Hebrews himself The discovery of the Dead Sea Scrolls prompted waves of enthusiasm for understanding Hebrews in that context both in terms of the Qumran sect s priestly messianism and understanding of Melchizedek but claims often were excessive and the approach was discredited The present study reevaluates the priestly Christology of Hebrews and the presentations of the messianic priest and Melchizedek in the Qumran texts arguing that the latter do indeed provide the closest parallels to Hebrews thought **The "Man Christ Jesus"** Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul

have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

Christian Origins and Hellenistic Judaism Stanley E. Porter, Andrew Pitts, 2012-10-23 In *Christian Origins and Hellenistic Judaism* Stanley E Porter and Andrew W Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts

Origen of Alexandria and the Theology of the Holy Spirit Micah M. Miller, 2024-01-16 *Origen of Alexandria and the Theology of the Holy Spirit* offers a comprehensive account of Origen's pneumatology In examining the Holy Spirit's identity and activity in Origen's writings this study reads Origen in his context and surveys his entire corpus It shows that Origen grounds his pneumatology in Scripture and uses Jewish philosophical and earlier Christian teachings in exegeting the passages he believes pertain to the Holy Spirit The Holy Spirit is revealed to function in Origen's works as a single hypostasis dependent on the Father and Son for both his being and

attributes which ranks the Spirit below the Father and Son The Spirit however is grouped with the Father and Son distinct from all other beings and ranked above them The Holy Spirit therefore is ranked third of all things This relationship serves as the basis for Origen's belief that the Spirit's activities giving spiritual gifts sanctifying believers and making them holy offering intercession inspiring Scripture and aiding in the interpretation of Scripture are a common operation of the Father Son and Holy Spirit The Spirit then plays an integral role in the salvation of the human person By offering a comprehensive understanding of Origen's pneumatology Micah M Miller also provides a fresh perspective of his Trinitarian thought
