The Church In An Age Of Crisis 25 New Realities Facing Christianity:

The Church in an Age of Crisis James Emery White, 2012-10-15 Knowing the signs of the times and how then to live as people of faith has never been more pressing for the church Though many of the signs are disturbing we ignore them at our great peril Combining the very best attributes of a biblical prophet and a modern day reporter James Emery White offers a look at twenty five realities facing the church in the areas of belief culture marriage and family media and technology and mission and how they affect us as individuals and as a body of believers Functioning as both a telescope and a microscope this hard hitting examination of the future of the church looks into the vastness of the world and into the minute recesses of our hearts White calls on thoughtful readers to sharpen their spiritual drive and determination in order to meet the challenges of our day and the future He calls us to look beyond the daily conflicts in order to see the much larger war in which we are engaged so that we might play our vital role in preserving and growing Christ's church in the coming age

The Church in the Face of Crises and Challenges over the Centuries Marcin Nabozny, Marcin Wysocki, 2023-06-12 Challenges crises and difficult experiences are an integral part of our lives and an inherent element of every human being's existence in addition to being ingrained in the functioning of organisations institutions and nations On many occasions humankind has failed to confront them resulting in the real dramas that we witness on the pages of history Fortunately challenges crises and difficult situations have often been lessons from which appropriate conclusions have been drawn thanks to which it was possible to create a better future In the history of the Church from its very beginning challenges have been an integral part of working towards a better tomorrow a better version of oneself and the reality around us and the Church herself Paradoxically what was intended to weaken or even destroy the faith became an impulse for its spread Crisis became the cause of consolidation and development And so over the centuries the Church has faced crises caused by schisms divisions unsuitable people in ecclesiastical offices as well as challenges posed by the surrounding world political systems and conflicts of human origin Owing to this publication the reader will be able to learn about various types of crises and challenges in order to draw conclusions from them to appreciate the history of the Church through a better knowledge thereof and all this in order to create a better future The subject of the book concerns crises and challenges during various periods in the history of the Church up until modern times including the crisis caused by the Second World War or communism in Central and Eastern Europe *Pentecostalism, Secularism, and Post Christendom* Bradley Truman Noel, 2015-12-14 If only we were a Christian country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western

culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if properly addressed may in fact herald the arrival of the Church's finest hour Arrows of Victory: God's Work of Revival, Restoration, and Release Jamison Work, 2014-08-26 Arrows of Victory is the account of God's reviving work among the people of Candies Creek Baptist Church in April and May of 2011 when the manifest presence of God settled among them for an unforgettable transformative and empowering six weeks Over a period of 42 days the congregation held daily prayer meetings approximately 40 worship gatherings that often extended more than three hours baptized a half dozen new believers received more than 24 hours of individual public confession and repentance of sin confessed and turned from six sins of which the church family was corporately guilty rejoiced in the healing of relationships and families and experienced the renewing grace of God in dozens of life changing ways *The Power of Truth in Perilous Times* Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything **Exalting Jesus in 1,2,3 John** Dr. Daniel L.
