The City Tavern Cookbook:

City Tavern Cookbook Walter Staib, Beth D'Addono, 1999-09-17 In May 1774 soon after City Tavern opened for business Paul Revere arrived at its doors to announce Parliament's closing the port of Boston. In 1777 the Tavern hosted America's first official Fourth of July celebration. And in 1789 this landmark inn held a banquet for George Washington as he passed through Philadelphia en route to New York for his presidential inauguration. Through the Revolutionary period and the early republic City Tavern was the center of American political and social life. More than a meeting place for prominent Americans, the Tavern also acquired a reputation as the best restaurant in North America, the setting for suppers as elegant as was ever laid on a table, according to John Adams. Since Philadelphia's seaport was the lively center of eighteenth-century commerce, it is no surprise that it was here that the finest imported foodstuffs, Madeiras, clarets, and exotic fruits and spices met the bounty of the New World, giving the City Tavern chef an unlimited supply of ingredients. More than two hundred years later, the Tavern is still garnering high praise for its gourmet cuisine and elegant atmosphere. The fusion of classic European cookery, American game and produce, and exotic island spices enjoyed by early visitors to the Tavern is recreated every day by chef proprietor Walter Staib. *City Tavern Cookbook* reveals the richness and diversity of the eighteenth-century table. Within these pages are 200 authentic recipes that capture the best of early American gourmet cuisine. These dishes, updated for modern tastes, include world-famous West Indies Pepper Pot Soup, Roasted Duckling with Peach Chutney, Lobster Potpie, Thomas Jefferson's Sweet Potato Biscuits, plus Martha Washington's Chocolate Mousse Cake. With fascinating historic tidbits and trivia that bring eighteenth-century American gastronomy to life, *City Tavern Cookbook* offers the reader a delicious lesson in culinary history.

The City Tavern Cookbook Walter Staib, 2009-05-12 Experience authentic early American culinary history at America's first restaurant without leaving your home. For history buffs who like to eat, there is no better gift or souvenir of the ultimate American landmark. The City Tavern restaurant was the social, political, and economic center of late 18th-century Philadelphia. Called the most genteel tavern in America by John Adams, it gained fame as the gathering place for members of the Continental Congresses and the Constitutional Convention, and for officials of the early Federal Government. With more than 300 tempting, simple-to-make recipes and full-color photography, *City Tavern* will help home chefs and history buffs alike recreate the same dishes enjoyed by George Washington, John Adams, Thomas Jefferson, and Benjamin Franklin. Featuring traditional favorites, West Indies peppercorn soup, Roasted duckling with chutney, Martha Washington's chocolate mousse cake, Thomas Jefferson's sweet potato biscuits, this book's recipes are sure to entice adults and children alike while simultaneously providing them with a wealth of fascinating American and culinary history. More than just a cookbook, *City Tavern* is a treasury of American history.

The City Tavern Baking and Dessert Cookbook Walter Staib, 2003-10-21 In this handsome sequel to the original *City Tavern Cookbook*, chef Walter Staib, proprietor of America's earliest gourmet restaurant, focuses on the baked goods and sweets that must have pleased the signers of the Declaration of Independence as much as they delight
