A Real Man's Guide to Understanding Women Clifford Bishop ACS, 2016-11-06 Understanding Women Forward The fact that a man wrote a book on Understanding Women seems like a fool's errand I claim neither credentials nor authority This book contains results of my observations they may or may not pertain to any given situation I choose to believe the way I do because it works for me because it is fun Please start with an open mind It has taken me a long time to become teachable and to reject the blissful state of ignorance The fact is that I have been surrounded by women all of my life and I have learned a few things I would like to share these lessons that I have learned with those who want or more importantly with those who need them The Man's Guide to Women John Gottman, Julie Schwartz Gottman, Doug Abrams, Rachel Carlton
