Collected Works of G.K. Chesterton: Volume 10 G.K. Chesterton, 1994 **G K Chesterton at the Daily News, Part I, vol 1** Julia Stapleton, 2024-08-01 G K Chesterton 1874 1936 was an important figure in the Edwardian literary world He engaged closely with the vibrant new influences in literature and reviewed a stream of new editions biographies and memoirs for the Daily News This critical edition includes all of his contributions to the Daily News from 1901 to 1913 *G.K. Chesterton, London and Modernity* Matthew Beaumont, Matthew Ingleby, Lawrence Phillips, 2016-02-25 G K Chesterton *London and Modernity* is the first book to explore the persistent theme of the city in Chesterton s writing Situating him in relation to both Victorian and Modernist literary paradigms the book explores a range of theoretical and methodological approaches to address the way his imaginative investments and political interventions conceive urban modernity and the central figure of London While Chesterton s work has often been valued for its wit and whimsy this book argues that he is also a distinctive urban commentator whose sophistication has been underappreciated in comparison to more canonical contemporaries With chapters written by leading scholars in the field of 20th century literature the book also provides fresh readings and suggests new contexts for central texts such as *The Man Who Was Thursday* *The Napoleon of Notting Hill* and the *Father Brown* stories It also discusses lesser known works such as *Manalive* and *The Club of Queer Trades* drawing out their significance for scholars interested in urban representation and practice in the first three decades of the 20th century
