 world before the universe it is the source of the first three fundamental elements Void Silence and Chaos and later home to
 their counterparts Light Time and Order It is believed to be home to the first Gods Eons later Earth is destroyed and
 rebooted to be the world of the second immortals it is in this world where the Moon and the Sun fought before reaching the
 Eclipse Parallel to those realities many spread as well The first one being the Angels Kingdom This plane is linked to another
 Earth on another layer of reality in which the Maidens of Water and Fire live Parallel to the universe of the time watch is the
 Arasmas Finally two other timelines spread parallel to the one of the second immortals the one of the Prison planet Doulos
 and Earth Gamma Minus where the Deus Ex Machina rose swallowing the very fabric of reality on its path *The Confusion
 of Worlds* Heiner Schwenke,2019-01-31 The idea of the resurrection of the physical body and the eternal continuation of life
 with this body in a future paradisiacal kingdom of God on earth is one of the most enigmatic of religious ideas It fully
 contradicts our knowledge of the transitoriness of all things in this universe According to the author the origin for this idea
 lies in certain forms of otherworld experiences as for example reported by people who had near death experiences
 encounters with the dead in brilliantly beautiful bodies and the experience of paradisiacal seemingly earthly landscapes He
 observes that cultures with a pre modern cosmology sometimes projected such otherworld experiences onto this world to
 distant and unknown locations on earth These experiences were the blueprint for an expectation of paradisiacal conditions on

earth The author establishes parallels between the reports of otherworld experiences and the eschatological ideas of Zoroastrianism Judaism and Christianity He shows that otherworld experiences can indeed foster the expectation of paradisiacal conditions on earth by referring to the Ghost Dance movement of the Lakota people in 1890 He presumes that the confusion of worlds proved fatal not only for the Lakota people but also for Jesus of Nazareth
