The Cold War A Very Short Introduction

Charles O. Jones

The Cold War A Very Short Introduction:

The Cold War Robert J. McMahon, 2021-02-25 Very Short Introductions Brilliant Sharp Inspiring The Cold War dominated international life from the end of World War II to the fall of the Berlin Wall in 1989 But how did the conflict begin Why did it move from its initial origins in Postwar Europe to encompass virtually every corner of the globe And why after lasting so long did the war end so suddenly and unexpectedly Robert McMahon considers these questions and more as well as looking at the legacy of the Cold War and its impact on international relations today The Cold War A Very Short Introduction is a truly international history not just of the Soviet American struggle at its heart but also of the waves of decolonization revolutionary nationalism and state formation that swept the non Western world in the wake of World War II McMahon places the Hot Wars that cost millions of lives in Korea Vietnam and elsewhere within the larger framework of global superpower competition He shows how the United States and the Soviet Union both became empires over the course of the Cold War and argues that perceived security needs and fears shaped U S and Soviet decisions from the beginning far more in fact than did their economic and territorial ambitions He unpacks how these needs and fears were conditioned by the divergent cultures ideologies and historical experiences of the two principal contestants and their allies Covering the years 1945 1990 this second edition uses recent scholarship and newly available documents to offer a fuller analysis of the Vietnam War the changing global politics of the 1970s and the end of the Cold War ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable [The Cold War: A Very Short Introduction](#) Robert J. McMahon, 2003-03-27 The massive disorder and economic ruin following the Second World War inevitably predetermined the scope and intensity of the Cold War But why did it last so long And what impact did it have on the United States the Soviet Union Europe and the Third World Finally how did it affect the broader history of the second half of the twentieth century what were the human and financial costs This Very Short Introduction provides a clear and stimulating interpretive overview of the Cold War one that will both invite debate and encourage deeper investigation ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **The American Presidency: A Very Short Introduction** Charles O. Jones, 2007-08-10 The expansion of executive powers amid the war on terrorism has brought the presidency to the center of heated public debate Now in The American Presidency presidential authority Charles O Jones provides invaluable background to the current controversy in a compact reliable guide to the office of the chief executive This marvelously concise survey is packed with information about the presidency some of it quite surprising We learn for

example that the Founders adopted the word president over governor and other alternatives because it suggested a light hand as in one who presides rather than rules. Indeed the Constitutional Convention first agreed to a weak chief executive elected by congress for one seven year term later calling for independent election and separation of powers. Jones sheds much light on how assertive leaders such as Andrew Jackson, Theodore Roosevelt and FDR enhanced the power of the presidency and illuminating how such factors as philosophy, Reagan's anti Communist conservatism, the legacy of previous presidencies, Jimmy Carter following Watergate, relations with Congress and the impact of outside events have all influenced presidential authority. He also explores the rise of federal power and the dramatic expansion of federal agencies showing how the president takes a direct hand in this vast bureaucracy and he examines the political process of selecting presidents from the days of deadlocked conventions to the rise of the primary after World War II. In 200 years he writes the presidency had changed from that of a person Washington followed by Adams then Jefferson to a presidential enterprise with a cast of thousands. Jones explains how this remarkable expansion has occurred and where it may lead in the future. About the Series: Combining authority with wit, accessibility and style, Very Short Introductions offer an introduction to some of life's most interesting topics. Written by experts for the newcomer, they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud, quantum theory to Islam.

The Spanish Civil War: A Very Short Introduction Helen Graham, 2005-03-24 Helen Graham highlights the domestic and international context of the Spanish Civil War and reveals its origins in the political and cultural anxieties provoked by the rapid modernization of Europe. Using personal narratives, she combines a powerfully human account of the war and its aftermath with a disturbing ethical enquiry into its legacy for the 21st century. BOOK JACKET

The Soviet Union: A Very Short Introduction Stephen Lovell, 2009-07-23 Taking a fresh approach to the study of the Soviet Union, this Very Short Introduction blends political history with an investigation into Soviet society and culture from 1917 to 1991. Stephen Lovell examines aspects of patriotism, political violence, poverty and ideology and provides answers to some of the big questions about the Soviet experience. Throughout the book takes a refreshing thematic approach to the Soviet Union and provides an up to date consideration of the Soviet Union's impact and what we have learnt since its end.

International Security: A Very Short Introduction Christopher S. Browning, 2013-10-24 Since the end of the Cold war the international security agenda has become increasingly important. This Very Short Introduction considers traditional topics such as war and peace, military strategy and nuclear weapons alongside other issues such as climate change, international migration, poverty and international terrorism.

The European Union and Conflict Prevention Emma J. Stewart, 2006 The book examines the evolution of EU conflict prevention as an internal EU process and as an area of external cooperation with the UN, OSCE and NATO. Conflict prevention has emerged as a prominent EU policy in the post Cold War era. Yet how suited is the organisation to practice conflict prevention and what does the record of cooperation with other key European organisations tell us about

the EU's external priorities. The book critically analyses the EU's policy and outcomes to date concluding that conflict prevention is underdeveloped by the EU and is in danger of being marginalised in favour of shorter term crisis management. Moreover EU external cooperation reinforces this the priority is cooperation in crisis management with the UN and NATO rather than longer term cooperation with the OSCE.

The United Nations: A Very Short Introduction Jussi M. Hanhimäki, 2015-05-05. After seven decades of existence has the UN become obsolete? Is it ripe for retirement? As Jussi Hanhimäki proves in the second edition of this Very Short Introduction the answer is no. In the second decade of the twenty-first century the UN remains an indispensable organization that continues to save lives and improve the world as its founders hoped. Since its original publication in 2008 this 2nd edition includes more recent examples of the UN Security Council in action and peacekeeping efforts while exploring its most recent successes and failures. After a brief history of the United Nations and its predecessor the League of Nations Hanhimäki examines the UN's successes and failures as a guardian of international peace and security as a promoter of human rights as a protector of international law and as an engineer of socio-economic development. This updated edition highlights what continues to make the UN a complicated organization today and the ongoing challenges between its ambitions and capabilities. Hanhimäki also provides a clear account of the UN and its various arms and organizations such as UNESCO and UNICEF and offers a critical overview of the UN Security Council's involvement in recent crises in Iran, Afghanistan, Iraq, Ukraine, Libya and Syria and how likely it is to meet its overall goals in the future. Regardless of its obstacles the UN is likely to survive for the foreseeable future. That alone makes trying to understand the UN in all its manifold magnificent and frustrating complexity a worthy task. With this much needed updated introduction to the UN Jussi Hanhimäki engages the current debate over the organization's effectiveness as he provides a clear understanding of how it was originally conceived how it has come to its present form and how it must confront new challenges in a rapidly changing world.

ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas and enthusiasm to make interesting and challenging topics highly readable.

Nuclear Weapons: A Very Short Introduction Joseph M. Siracusa, 2008-03-20. Despite not having been used in anger since Hiroshima and Nagasaki the Bomb is still the biggest threat that faces us in the 21st century. As Bill Clinton's first secretary of defence Les Aspin aptly put it: 'The Cold War is over the Soviet Union is no more. But the post-Cold War world is decidedly not post-nuclear. For all the effort to reduce nuclear stockpiles to zero it seems that the Bomb is here to stay.' This Very Short Introduction reveals why. The history and politics of the bomb are explained from the technology of nuclear weapons to the revolutionary implications of the H-bomb and the politics of nuclear deterrence. The issues are set against a backdrop of the changing international landscape from the early days of development through the Cold War to the present-day controversy of George W. Bush's National Missile Defence and the threat and role of

nuclear weapons in the so called Age of Terror Joseph M Siracusa provides a comprehensive accessible and at times chilling overview of the most deadly weapon ever invented ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Free Speech: A Very Short Introduction** Nigel

Warburton,2009-02-26 Voltaire s comment I disapprove of what you say but I will defend to the death your right to say it is frequently quoted by defenders of free speech Yet it is rare to find someone prepared to defend all freedom of speech especially if the views expressed are obnoxious or obviously false So where do the limits lie How important really is our right to freedom of speech Here Nigel Warburton offers a concise guide to the important questions facing modern society about free speech Should a civilized society set limits on the freedom of speech How can we square free speech with the sensitivities of religious and minority groups Does copyright law clash with our right to free speech And how have new technologies such as the Internet changed the debate This Very Short Introduction is a thought provoking accessible and up to date examination of the liberal assumption that free speech is worth preserving at any cost

Decoding **The Cold War A Very Short Introduction**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Cold War A Very Short Introduction**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

The Cold War A Very Short Introduction Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Cold War A Very Short Introduction free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Cold War A Very Short Introduction free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Cold War A Very Short Introduction free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Cold War A Very Short Introduction. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Cold War A Very Short Introduction any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Cold War A Very Short Introduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Cold War A Very Short Introduction is one of the best book in our library for free trial. We provide copy of The Cold War A Very Short Introduction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Cold War A Very Short Introduction. Where to download The Cold War A Very Short Introduction online for free? Are you looking for The Cold War A Very Short Introduction PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Cold War A Very Short Introduction. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free

books then you really should consider finding to assist you try this. Several of The Cold War A Very Short Introduction are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Cold War A Very Short Introduction. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Cold War A Very Short Introduction To get started finding The Cold War A Very Short Introduction, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Cold War A Very Short Introduction So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Cold War A Very Short Introduction. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Cold War A Very Short Introduction, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Cold War A Very Short Introduction is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Cold War A Very Short Introduction is universally compatible with any devices to read.
