ambitious poetry speaks for those who have been historically silenced and displaced Christine Kitano's first collection of poetry *Birds of Paradise* was published by Lynx House Press She lives in Ithaca NY where she is an assistant professor of creative writing poetry and Asian American literature at Ithaca College

The Wounds Are the Witness Yolanda Pierce, 2025-02-04 From celebrated scholar Dr Yolanda Pierce comes this indelible meditation on Black faith suffering hope and the healing possibilities of justice written in the venerable tradition of James Cone and Kelly Brown Douglas What do we do with wounds our own others and a nation's We can turn away avert our gaze We can make a spectacle of suffering Or like the doubting disciple who longed to touch Jesus's side we can acquaint ourselves with the wounds both the story they tell and the healing they prefigure In *The Wounds Are the Witness* Yolanda Pierce dean of Vanderbilt University Divinity School and author of *In My Grandmother's House* weaves together her own memories vignettes from Black life and scenes from scripture especially the passion of Christ To work for liberation in a broken world we cannot look away from crucified flesh Bones from the Middle Passage GI Bill benefits denied to Black veterans women inmates shackled while giving birth we must take all such wounds seriously They testify to both the pain and the faith of a people With the lyrical eye of a poet and the moral precision of a preacher Pierce casts readers into the astounding story of God's healing From the curative powers of a spiderweb to the work of justice in history politics medicine higher education and the Black church Pierce asks Where are the remedies for the battered and broken What does accountability look like Is there any cure Healing takes time Pierce writes and even the wounds of the risen Christ do not immediately close When the wounds become the witness we find a faith reimagined and a hope transfigured They tell the truth about the extent of the injury and the extraordinary work of healing

Rehearsals for Dying Ariel Gore, 2025-03-11 An expansive darkly funny and deeply personal reflection on the reality of living with and dying from metastatic breast cancer Deena stepped out of the shower and opened her towel in the steam Does my breast look weird These words irrevocably change the lives of writer Ariel Gore and her wife As they descend into a world of doctors and tests medications and insurance sickness and treatments and hope and pain and more they discover just how little they truly knew despite the awareness campaigns and hyper visible pink ribbons about the reality of breast cancer Over the four years following Deena's terminal diagnosis Gore does what she always does no matter how difficult or personal the subject she writes about it With keen insights empathy and humor Ariel Gore braids together the story of Deena's experience her own role as a caretaker narratives from others living with breast cancer literary reflections on illness and reportage on the history of breast cancer and the 200 billion industry that capitalizes on and profits from breast cancer screenings and treatments *Rehearsals for Dying* investigates and challenges everything we think we know about breast cancer It goes beyond awareness to knowledge presenting a rich nuanced heartbreaking and hopeful portrait of what it is to be diagnosed with treat and live with breast cancer in the twenty first century

In My Grandmother's House Yolanda Pierce, 2021-02-16 What if the most steadfast faith you'll ever encounter comes from a Black grandmother

The church mothers who raised Yolanda Pierce dean of Howard University School of Divinity were busily focused on her survival In a world hostile to Black women s bodies and spirits they had to be Born on a former cotton plantation and having fled the terrors of the South Pierce s grandmother raised her in the faith inherited from those who were enslaved Now in the pages of *In My Grandmother s House* Pierce reckons with that tradition building an everyday womanist theology rooted in liberating scriptures experiences in the Black church and truths from Black women s lives Pierce tells stories that center the experiences of those living on the underside of history teasing out the tensions of race spirituality trauma freedom resistance and memory A grandmother s theology carries wisdom strong enough for future generations The Divine has been showing up at the kitchen tables of Black women for a long time It s time to get to know that God

Fearless Dialogues Gregory C. Ellison II,2017-11-10 Drawing on all the community s collective voices from doctors to drug dealers *Fearless Dialogues* is a groundbreaking program that seeks real solutions to problems of chronic unemployment violence and hopelessness In cities around the United States and now the world the program s founder Gregory C Ellison and his team create conversations among community members who have never spoken to one another the goal of which are real implementable and lasting changes to the life of the community These community transformations are based on both face to face encounters and substantive analysis of the problems the community faces In *Fearless Dialogues* A New Movement for Justice Ellison makes this same kind of analysis available to readers walking them through the steps that must be taken to find common ground in our divided communities and then to implement genuine and lasting change

Glitch Feminism Legacy Russell,2020-09-29 A New York Times Best Art Book of 2020 A new manifesto for cyberfeminism finding liberation in the glitch between body gender and technology The divide between the digital and the real world no longer exists We are connected all the time How do we find out who we are in this digital era Where do we create the space to explore our identity How can we come together in solidarity A glitch is normally thought of as an error a faulty overlaying but as Legacy Russell shows liberation can be found within the fissures between gender technology and the body The glitch offers an opportunity for us to perform and transform ourselves in an infinite variety of identities In *Glitch Feminism* Russell makes a series of radical demands through memoir art and critical theory as well as the work of contemporary artists including Juliana Huxtable Sonda Perry boychild Victoria Sin and Kia LaBeija who have travelled through the glitch in their work Timely and provocative *Glitch Feminism* shows how error can lead to revolution

Peoples Temple and Jonestown in the Twenty-First Century Rebecca Moore,2022-08-11 The new religious movement of Peoples Temple begun in the 1950s came to a dramatic end with the mass murders and suicides that occurred in Jonestown Guyana in 1978 This analysis presents the historical context for understanding the Temple by focusing on the ways that migrations from Indiana to California and finally to the Cooperative Republic of Guyana shaped the life and thought of Temple members It closely examines the religious beliefs political philosophies and economic commitments held by the group and it shifts the traditional focus on the

leader and founder Jim Jones to the individuals who made up the heart and soul of the movement It also investigates the paradoxical role that race and racism played throughout the life of the Temple The Element concludes by considering the ways in which Peoples Temple and the tragedy at Jonestown have entered the popular imagination and captured international attention
