The book is divided into sections that represent the different aspects of communication language and literacy and includes an introduction to each aspect explaining why it is important and outlining the fundamental skills and concepts that underpin it. Ideas for adult led and adult initiated activities that aim to develop children's early knowledge, skills and understanding in communication language and literacy, suggestions for how to enhance continuous outdoor provision so that it promotes communication language and literacy skills, pointers and tips about teaching mathematics in the early years and includes ideas for how to involve parents and carers.

100% Kid Allison Tyler Jones, 2013-12-19 *Start with the kid* This sounds obvious when photographing children but many images start with a couch in a field or a tutu the size of Montana. What do these props have to do with the child you are photographing? In this funny and beautifully illustrated guide, photographer Allison Tyler Jones provides inspiration and practical techniques for photographers to effectively capture kids in beautiful light. She challenges readers to go a little deeper in their thought processes and to be more personal, more thought provoking, more humorous and more real. From a practical photographer's perspective, this guide approaches studio and on location lighting with a mix of technical information and advice on how to apply these ideas while working with subjects that are shy, sulking, showing off or constantly in motion. Readers will learn about the Five Ms: lighting concept, mood, main measure, modify and move, and how to include them into a decision making process. Selecting a light source, setting the camera to sync and triggering the flash, White seamless backgrounds and practical considerations for hanging and using them in your studio, Directing the shoot and how to work with kids, clients and even pets, Choosing props with integrity, clothing suggestions and styling the shoot, Decisions about setting and lighting on location, Finishing the job you started with presentation of your product to your clients.
