Supervision In Clinical Practice A Practitioners Guide:

Supervision in Clinical Practice Joyce Scaife, 2009 Rev ed of Supervision in the mental health professions Joyce Scaife 2001

Supervision in Clinical Practice Joyce Scaife, 2019 This fully updated edition of Supervision in Clinical Practice A Practitioner's Guide is packed with practical examples from personal and professional experience Since the publication of the first two editions health and social care organisations have become increasingly risk averse resources more strained and moves have been made towards stifling levels of clinical governance In this edition Joyce Scaife counters the idea of supervision as a constraint and challenges some of the thinking associated with evidence based practice when this focuses on what can be easily measured rather than what matters Joyce Scaife explores frequently encountered dilemmas including How can supervisors facilitate learning What are the ethical bases of supervision What helps to create and maintain an effective working alliance How can supervisors balance management and supervision roles How can supervisors work equitably in an increasingly diverse and pluralistic world Supervision in Clinical Practice remains an indispensable text for supervisors and supervisees who practice clinically in a range of professions including applied psychology counselling psychotherapy psychiatry nursing and social work

Supervision in the Mental Health Professions Joyce Scaife, 2003-08-29 Supervision is of increasing significance in the practice of mental health professionals especially since the advent of voluntary and mandatory registration managed care and clinical governance Little however has been written to address the practical and theoretical needs and questions of those involved In Supervision in the Mental Health Professions Joyce Scaife along with her guest contributors draws on over two decades of experience to illustrate ways of thinking about and doing supervision Using practical examples she explores often encountered dilemmas including How can supervisors facilitate learning What are the ethical bases of supervision What helps to create a good working alliance This comprehensive practical and indispensable text is vital reading for supervisors and supervisees involved in mental health care including clinical psychology counselling psychotherapy counselling psychology psychiatry nursing and social work

Supervision in Clinical Practice Joyce Scaife, 2013-12-19 Since the publication of the first edition of this book supervision has become of even greater significance in health education and social care settings with continuing pace in the trend towards mandatory registration managed care and clinical governance This fully updated and expanded edition includes new chapters on issues of diversity and the managerial role of the supervisor in context Packed with practical examples in the key areas of personal and professional development Joyce Scaife and her contributors draw on three decades of clinical experience to explore frequently encountered dilemmas including how supervisors facilitate learning the ethical bases of supervision creating and maintaining a good working alliance how supervisors can balance management and supervision roles working equitably in an increasingly diverse and pluralistic world Supervision in Clinical Practice offers a range of suggestions for providing supervision that are stimulating creative and fun using methods that ensure safe and open practice It is an indispensable text

for supervisors and supervisees who practice clinically in a range of professions including applied psychology counselling psychotherapy psychiatry nursing and social work

First Steps In Clinical Supervision: A Guide For Healthcare Professionals Cassedy, Paul, 2010-10-01 This book is an essential read for those new to the role of becoming a clinical supervisor It is packed with practical ideas and activities to try out in the supervision situation and underpinned by relevant theory An obvious strength of the book is the way Paul seems to talk to the new supervisor in an engaging and non patronising way At last there is acknowledgement of the emotional labour of being engaged in supervisory work offering strategies to look after oneself when acting as a clinical supervisor in practice John Driscoll Freelance CPD Consultant Development Coach This practical book is designed as a toolkit for anyone starting out as a clinical supervisor The book focuses on developing core skills of supervision as well as your ability to reflect and improve on those skills Addressing all aspects of supervision the book gives you practical frameworks needed to start maintain and evaluate clinical supervision from how to start a supervision contract to how to run a session The book offers Clear information and guidance on what the supervisor needs to know as they prepare to take on the role of clinical supervisor Practical examples and demonstration of key clinical supervision skills Simple explanations of the key frameworks and models for clinical supervision Reflective questions and activities you can use in supervision sessions An example of a method of evaluation when reviewing supervision Ways of keeping healthy as a supervisor and staying within the spirit of supervision The book includes tips for developing the supervision relationship focusing on areas identified as the ones supervisors struggle with the most First Steps in Clinical Supervision is core reading for qualified nurses and healthcare professionals working in a supervisory role either formally or informally or taking CPD courses to supervise staff and colleagues This book is designed as a practical toolkit to aid those training to do clinical supervision or starting out as clinical supervisors The focus of the book is on developing skills of supervision and the ability to reflect and improve on those skills It includes coverage of problem solving and gives the practical frameworks that are needed to start maintain and evaluate clinical supervision from how to start a contract to how to run a session Throughout the book there are tips for developing the supervision relationship focusing on areas identified by research as the ones supervisors struggle with the most

Supervision in the Mental Health Professions Joyce Scaife, Francesca Inskipp, 2001 Supervision in the Mental Health Professions is a comprehensive practical and indispensable text for supervisors and supervisees involved in mental healthcare including clinical psychology counselling psychotherapy counselling psychology psychiatry nursing and social work

BOOK JACKET

A Practitioner's Guide to Working with Sexual Offenders, Families, and Victims Glyn Hudson-Allez, 2025-05-23 This unique text aims to cover the many variations of presentations that a mental health professional needs to address in order to conduct effective work with sex offenders and alleged offenders their victims as well as their families and children The book is divided into three sections It commences with an overview of the criminal justice process and its ramifications not just for the alleged offender but also

for the wider family and friends who may feel totally out of control over what is happening in their lives as well as for the victim It also covers the secondary victimisation of the children of alleged offenders The next section is designed to take some of the fear out of working with these clients looking at unexpected specific issues that may be presented with these clients how to address the client s trauma history and how to support them on their journey through the criminal justice system Chapters include working with non offending partners within minority groups like those within the neurodivergent or LGBTQIA communities with women who commit offences as well as with children and adolescents Section three covers some of the therapeutic ethical dilemmas within this work including supervision confidentiality safeguarding and disclosure Each chapter in the book is written by an experienced hands on therapist giving voice and humanity to their clients This book is designed for all the mental health workers who find the ubiquitous issue of sexual abuse in all its forms coming through their office door

Best Practice in Professional Supervision Allyson Davys,Liz Beddoe,2010-06-15 Best Practice in Professional Supervision is an authoritative guide to being an excellent supervisor covering the role functions and dispositions involved The authors consider basic skills the practicalities of forming and maintaining the supervision relationship and the organisational context and culture of supervision The book offers practical examples and a model of supervision which draws together ideas from adult learning theory and reflective practice Viewing supervision as a place for learning this guide considers how supervision can assist practitioners to develop professional resilience and manage the stresses of complex work environments It also includes specific chapters on supervision of clinical student placements and in child protection settings This book covers a range of professions including social care nursing counselling social work and allied health professions and is an essential guide for all those in these and related professions undertaking supervision or supervision training

The Wiley International Handbook of Clinical Supervision C. Edward Watkins, Jr.,Derek L.
