SUPERVISION IN THE HELPING PROFESSIONS

Peter Hawkins and Robin Shohet

Supervision In The Helping Professions Individual Group And Organizational Approach

Peter Hawkins, Robin Shohet

Supervision In The Helping Professions Individual Group And Organizational Approach:

Supervision in the Helping Professions Peter Hawkins, Robin Shohet, 1989 The latest edition of this best selling book on supervision updates and expands the previous two editions with references to the developments and writing in the field over the last six years Since the publication of the previous edition supervision has continued to spread from the professions of counselling psychotherapy and social work into all medical professions and more recently into education coaching mentoring and human resources management This book provides relevant information for people working in all of these fields The seven eyed supervision model which is at the core of the book has been expanded and developed to reflect its use in many professions and different parts of the world The authors have also incorporated view points from other academics who have constructively observed the model The authors have added a number of new approaches models and techniques to this new edition including New techniques for supervising in groups The Clear model for structuring the process of a supervision session How to adapt supervision to learning styles How to use video and interpersonal process recall in training supervisors New material on research and action research in supervision Expansion of the chapter on working transculturally to include analysis of the challenges of working with asylum seekers and refugees The extensively updated and enlarged book provides key reading for professionals across the social care and helping professions as well as those working in Education Coaching and HR Book jacket

EBOOK: Supervision in the Helping Professions Peter Hawkins, Robin Shohet, 2012-07-16 Supervision in the Helping Professions remains a core text in our trainings and we welcome the updates including the increased focus on ethics and diversity the discussion of enabled modes of supervision and the review of research What is so encouraging to students trainers and practitioners is the beginner's mind with which the authors continue to approach the subject their tireless enthusiasm for enquiry and their commitment to the learning edge The launch of this edition coincides with the launch of the first UKCP Professional Register for Supervisors The authors have done much to promote the development of supervision and all future professional trainings in supervision will rely on their wisdom and experience Key words for this edition are sustainability resourcing and deeper levels of self reflection mirroring the movement of our profession which increasingly turns outwards asking how we can effect societal as well as individual change Tree Staunton Director of Studies Bath Centre for Psychotherapy and Counselling and Chair of the Humanistic and Integrative College of UKCP This book remains a seminal text in supervision In the fourth edition the authors bring a contemporary perspective to bear on supervision with an emphasis on the wider contextual and cultural contexts of our work as supervisors I appreciate above all the fearless compassion with which the authors have addressed the challenges that face us as supervisors in a global culture and at the same time their ongoing stress on integrating the emotional and the rational the personal and the organizational in a very accessible model of supervision Professor Maria Gilbert Metanoia Institute West London This bestselling book provides a comprehensive guide to supervision for professionals across the social care and

helping professions as well as those working in education coaching and human resources Thoroughly updated the book has a new introduction showing how the world context in which helping professions operate has fundamentally changed in the last 25 years and the implications of this for supervision The seven eyed supervision model at the core of the book has been expanded and developed to reflect its use in many professions and different parts of the world The authors also incorporate viewpoints from other academics and practitioners who have commented on the model New to this edition A new chapter on ethics and handling difficult situations in supervision A new chapter and new models of reflective practice New material on training supervisors including the important area of supervision of supervision Revised chapters on group and team supervision with new material on supervising team development and team coaching More case studies of supervision in a wide range of different professions Further practical advice for supervisees on how to recognize contribute to and ask for good supervision With contributions from Judy Ryde and Joan Wilmot

Principles and Practice of Informal Education

Linda Deer Richardson, Mary Wolfe, 2004-11-23 This new and exciting text is aimed at informal educators involved in youth work community work and adult education and health promotion The contributors explore the principles and practice of informal education and focus in particular on the notion of working with which is central to practice in this sector The book argues for an approach which is relevant to a number of professional fields and which focuses on a way of working rather than upon a specific target group The book looks at the role of an educator in informal education and youth work settings Comprehensive and analytical it looks at social cultural and political contexts of education The authors discuss the practical side of teaching from the setting programme planning and communication to activity based work one to one case work formal group work and managing the work load Finally the book analyses developing professional practice the use of line management and supervision and evaluation of work

Supervision In The Helping Professions

Hawkins, Peter, Shohet, Robin, 2012-07-01 Supervision in the Helping Professions remains a core text in our trainings and we welcome the updates including the increased focus on ethics and diversity the discussion of enabled modes of supervision and the review of research What is so encouraging to students trainers and practitioners is the beginner's mind with which the authors continue to approach the subject their tireless enthusiasm for enquiry and their commitment to the learning edge The launch of this edition coincides with the launch of the first UKCP Professional Register for Supervisors The authors have done much to promote the development of supervision and all future professional trainings in supervision will rely on their wisdom and experience Key words for this edition are sustainability resourcing and deeper levels of self reflection mirroring the movement of our profession which increasingly turns outwards asking how we can effect societal as well as individual change Tree Staunton Director of Studies Bath Centre for Psychotherapy and Counselling and Chair of the Humanistic and Integrative College of UKCP This book remains a seminal text in supervision In the fourth edition the authors bring a contemporary perspective to bear on supervision with an emphasis on the wider contextual and cultural contexts of our work

as supervisors I appreciate above all the fearless compassion with which the authors have addressed the challenges that face us as supervisors in a global culture and at the same time their ongoing stress on integrating the emotional and the rational the personal and the organizational in a very accessible model of supervision Professor Maria Gilbert Metanoia Institute West London This bestselling book provides a comprehensive guide to supervision for professionals across the social care and helping professions as well as those working in education coaching and human resources Thoroughly updated the book has a new introduction showing how the world context in which helping professions operate has fundamentally changed in the last 25 years and the implications of this for supervision The seven eyed supervision model at the core of the book has been expanded and developed to reflect its use in many professions and different parts of the world The authors also incorporate viewpoints from other academics and practitioners who have commented on the model New to this edition A new chapter on ethics and handling difficult situations in supervision A new chapter and new models of reflective practice New material on training supervisors including the important area of supervision of supervision Revised chapters on group and team supervision with new material on supervising team development and team coaching More case studies of supervision in a wide range of different professions Further practical advice for supervisees on how to recognize contribute to and ask for good supervision With contributions from Judy Ryde and Joan Wilmot

Supervision In The Helping Professions Individual Group And Organizational Approach Introduction

In the digital age, access to information has become easier than ever before. The ability to download Supervision In The Helping Professions Individual Group And Organizational Approach has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Supervision In The Helping Professions Individual Group And Organizational Approach has opened up a world of possibilities. Downloading Supervision In The Helping Professions Individual Group And Organizational Approach provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Supervision In The Helping Professions Individual Group And Organizational Approach has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This

inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Supervision In The Helping Professions Individual Group And Organizational Approach. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Supervision In The Helping Professions Individual Group And Organizational Approach. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Supervision In The Helping Professions Individual Group And Organizational Approach, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Supervision In The Helping Professions Individual Group And Organizational Approach has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Supervision In The Helping Professions Individual Group And Organizational Approach Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,
