Survey Modern Teaching Educational Institutions:

Survey More Snehal, 2015-11-30 Technological advances in information technology have drastically changed how communication takes place between people and also the modern education methods. Certain strategies must be adopted to overcome this problem which will enable to enhance the learning experience. Recently the methodology of teaching has shifted from simple passive flow of informative data to interactive way thus teaching aids have a very important role to play in the teaching learning process. The book aims to assist teachers as well as students to find out effectiveness of the modern teaching aids thereby making the teaching learning process more efficient and interactive. It can be fairly concluded that traditional teaching aids and modern teaching aids should be used together for effective learning and enhancing the clarity of lectures and making them interesting and effectual for students.
