PREPPERS: HISTORY AND THE CULTURAL PHENOMENON Lynda King,2014-08-07 The word prepper seems to have burst onto the scene within the last 10 years and has increasingly become associated with fringe extremists They have been labeled by some as domestic terrorists But is prepping a new phenomenon Or is it a manifestation of a growing collective psyche that has learned from traumatic events throughout our history that preparedness is critical to human survival For new preppers who think the worst is yet to come this book offers a walk through history that shows the worst has been here before For those who wonder why so many people are concerned about being prepared this book will show that when the worst has made an appearance those who weathered it best were those who were prepared For those already familiar with history s worst who think THAT will never happen again this book offers a reminder of the Wall Street adage Past performance is no guarantee of future results For those who wonder what a prepper is this book offers a look at what they used to be and what they are today **Up To Speed A Preppers Guide** Galen Fries,2024-05-17 No scare tactics here We all know bad things can happen and don t need to be scared into wanting to protect our loved ones Up to Speed A Prepper s Guide is just a discussion about what steps and in what order to take them in order to be ready for disasters

manmade or otherwise It s good information with some humor thrown in for flavor The book has been carefully broken up into levels of importance It begins by addressing a survival mindset It then goes on to discuss ways we can set ourselves up for success when it comes to reuniting with loved ones having a home to come home to and finally what we should consider as we step out of our homes in order to keep our families safe Up to Speed tries to take the daunting task of protecting what is truly important to us and break it down into small manageable pieces This is not a survivalist book This is just a discussion and shouldn t be considered the end all in preppers manuals In it you will find references to many other books that will supplement your preparedness library
