Surviving Your Own Creativity:

Expressive and Creative Arts Methods for Trauma Survivors Lois Carey, 2006-03-30 Drawing on detailed case studies and a growing body of evidence of the benefits of non verbal therapies the contributors all leading practitioners in their fields provide an overview of creative therapies that tap into sensate aspects of the brain not always reached by verbal therapy alone *Aunt Bessie's How to Survive a Day Job While Pursuing the Creative Life* Joel Eisenberg, 2005 Clive Barker Tom Cruise Larry Hagman Laurell K Hamilton Stephen King Brad Meltzer Sir Ian McKellen Carolyn See Stuart Woods and many others describe their humorous and frequently touching journeys to success This motivational volume is hosted by the ever controversial Aunt Bessie who some refer to as a dangerous cross between Eminem and Ann Landers **The Parent Survival Guide** Theresa Kellam, 2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In *The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less* Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent's own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time as the catalyst for interpersonal connection and growth Kellam's model is subtle in its simplicity Through a series of guided exercises Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks Features of the book include Parent Survival Tip at the start of each chapter Original cartoon illustrations bring text to life Short but insightful workset questions bring focus to the program *The Parent Survival Guide* is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program But the material in the book is designed to be read and implemented by anyone The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family **Booklife - Digital Strategies and Survival Tips for the 21st Century Writer** Jeff VanderMeer, 2010-07-29 A wealth of practical advice to help writers enhance their career and engage with readers in the digital age **The Use of the Creative Therapies with Sexual Abuse Survivors** Stephanie L. Brooke, 2007 This book is a useful reference for anyone seeking to provide therapy to survivors of sexual abuse The approach represented here is a holistic one that utilizes various approaches to heal the various manifestations of sexual abuse trauma Since the acts associated with such abuse are often so difficult to discuss this book presents several methods of communicating these unspeakable horrors nonverbally allowing the survivor to express their trauma with less difficulty This approach seeks to use the actions of the body to heal the mind This text contains information relevant to treatment for children adolescents and

adults as well as male or female and in group or individual settings Many useful activities are outlined and illustrations are provided as examples
