

CLASS 1st HOLIDAY HOME WORK

Dear students

School is closing for summer break from 28TH May 2024 to 30 June 2024. Fun time is on. I along with your teachers have worked out some tips which may help you to constructively plan your holidays. Here are the tips.

1. Pursue a hobby. Learn skill- music, dance, painting, computer, book binding, toy making, photography or anything of your choice.
2. Locate and underline all new words in your different books. Find their meanings in the dictionary and learn their application. When you return to school, be richer by at least 500 new word friends.
3. Identify a problem of your locality and take initiative to solve it. (Clean up the street, write letter to news paper or municipal commissioner, generate public awareness about pollution etc.
4. Revive your relationships with relatives and old friends through telephone calls or letters. Write sorry letters to friends or relatives whose functions or birthdays you could not attend.
5. Write a thank-you letter to your teacher if he/she has made a good change in your life (on school address).
6. Decide which programs on T.V. are worth watching. Limit your T.V. watching time. Give priority to the programmes which can be enjoyed by everyone in the family.
7. Help your parents in their work. Read at least five educative books suitable to your age and write your feelings in a copy. The books may be story books, autobiographies, G.K. books and puzzles.
