Sure Guide To Heaven Puritan Paperbacks:

A Sure Guide to Heaven Joseph Alleine, *A Sure Guide to Heaven* is a thorough and compelling argument for the necessity of conversion. In it the author presents the nature of true conversion and common mistakes about conversion so the reader can be assured he is not deceived into believing he is converted when in reality he is not. Matthew 7:13-14 Alleine outlines the marks of an unconverted soul so the reader may make an accurate self inventory. 2 Corinthians 13:5-6 He forewarns the fence sitter of the miseries of the unconverted state both in this life and hereafter and gives motives for conversion. The book concludes with directions to the unconverted so that the reader may take hold of the saving faith. Christ offers This Digital Puritan reprint based on the Banner of Truth edition includes the biographical preface of Iain Murray. Over four hundred Scripture references in the English Standard Version are hyperlinked and embedded into the book. No internet connection is required. , [Meet the Puritans](#) Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits, high collars and joyless sermons, *Meet the Puritans* will surprise you in the best way. Behind those caricatures lies a warm, Christ-centered spiritual tradition shaped by people who loved Scripture, treasured grace and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt, love and sacrifice, heaven and hell weren't abstractions to them; they were urgent realities. Today when conviction of sin is dismissed as gloom, when earnest faith is pitied and when diligent obedience is labeled as legalism, we desperately need their witness. If you hunger for depth, for holiness, for real communion with God, open these pages. Let these lives challenge you and these writings nourish you. Take the time to meet the Puritans; you'll find in them deep truths, godly examples and an exalted Christ. This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans, seventeenth century Scottish Presbyterians and Dutch Further Reformation divines, 278 New Summaries of Puritan works with annotated bibliographies of modern reprints, Comprehensive Revision of the entire previous edition, 200 New Titles Added to the select bibliography of secondary sources, New Expanded Glossary plus an updated expanded list of Puritan publishers. The definitive reference for engaging the Puritan tradition, praised by pastors, scholars and serious readers alike. Substantial enough for study, accessible enough for devotional use. *Meet the Puritans* is that rare kind of reference book that invites you to actually read it. If you're serious about reading the Puritans or simply looking for a clear starting point, this is the place to begin. **Piercing Heaven** Robert Elmer, 2019-12-11 That prayer is most likely to pierce heaven which first pierces one's own heart. For the Puritans, prayer was neither casual nor dull. Their prayers were passionate affairs, from earnestly pleading for mercy to joyful praise. These rich expressions of deep Christian faith are a shining example of holy living. The Puritan combination of warm piety and careful intellect have fueled a renaissance of interest in their movement. This combination is on display in *Piercing Heaven*, a collection of carefully selected prayers from

leading Puritans The language in these prayers has been slightly updated for a modern audience while still retaining the elevated tone of the Puritans With prayers from Richard Baxter Thomas Brooks John Owen and many more each prayer reminds us that heartfelt prayer is central to the Christian life *A Catalog of British Devotional and Religious Books in German Translation from the Reformation to 1750*, 2016-07-11 No detailed description available for A Catalog of British Devotional and Religious Books in German Translation from the Reformation to 1750 Religion and Society in the Diocese of St Davids 1485-2011 John Morgan-Guy, 2016-04-01 During the medieval and early modern periods the Welsh diocese of St Davids was one of the largest in the country and the most remote As this collection makes clear this combination of factors resulted in a religious life which was less regulated and controlled by the institutional forces of both Church and State Addressing key ideas in the development of popular religious culture and the stubborn continuity of long lasting religious practices into the modern era the volume shows how the diocese was also a locus for continuing major religious controversies especially in the nineteenth century Presenting a fresh view of the Diocese of St Davids since the Reformation this is the first new account of religion and society in over a century It is moreover not one which is written primarily from an institutional perspective but from that of wider society As well as a chronological treatment giving an overview of the history of religion in the diocese chapters address key themes including a study of religious revivals which originated within the borders of the diocese consideration of popular and elite education including the contribution of Bishop Burgess's pioneering institution at Lampeter the first degree awarding institution in England and Wales after Oxford and Cambridge the relationship of the Church to the revival of Welsh cultural identity and new reflections on the agitation and realisation of disestablishment of the Church as it affected Wales As such this pioneering study has much to offer all those with an interest not only in Welsh history but ecclesiastical history more broadly Bookseller's catalogues William Job, 1858 Catalogues of Books Jonathan Edwards, 2008-01-01 This final volume in The Works of Jonathan Edwards publishes for the first time Edwards Catalogue a notebook he kept of books of interest especially titles he hoped to acquire and entries from his Account Book a ledger in which he noted books loaned to family parishioners and fellow clergy These two records along with several shorter documents presented in the volume illuminate Edwards own mental universe while also providing a remarkable window into the wider intellectual and print cultures of the eighteenth century British Atlantic An extensive critical introduction places Edwards book lists in the contexts that shaped his reading agenda and the result is the most comprehensive treatment yet of his reading and of the fascinating peculiarities of his time and place **History of Religion in England from the Opening of the Long Parliament to the End of the Eighteenth Century** John Stoughton, 2025-07-10 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Palatine Note-book* ,
