Investment Aftercare Explained Carolina Arriagada Peters, David Coble, Toby X. Li, Brendan Lewis, 2021-11-29 This book is the first to systematically map the last step of the foreign investor's journey usually referred to as post-investment aftercare or business retention and expansion It provides a wide range of approaches and strategies for host economies to better retain foreign investors encourage follow-on expansions and achieve greater local economic embeddedness through a multi-stakeholder dialogue leading to improvement of the overall business climate Global foreign direct investments reached US 1.5 trillion in 2019 but this figure reduced by over 42% in 2020 due to the pandemic Against this backdrop retaining established investors became even more important Numerous organisations all over the world are dedicated to attracting foreign companies to invest in their markets Facilitating this effort is a dynamic and competitive industry that involves international organisations supporting capacity building think tanks academia and consultants However once foreign companies decide to invest a critical question arises how can host economies grow and retain these foreign investments Many host governments could do much better as there is very little post-investment support for these foreign companies to help them grow their businesses throughout different stages of investment business and economic cycles This is where aftercare comes in In this book the authors include diverse examples from around the world to demonstrate aftercare best practices in action This book is an essential read for all public administration staff related to FDI

attraction and promotion practitioners in the private sector and FDI consultants It will also be of great interest to multilateral organisations seeking to organise seminars and training courses for capacity building The book will also benefit researchers academics and postgraduate students of international relations foreign trade and internationalisation For further information see www.aftercareexplained.com *Poverty, public housing, and the CRA : have housing and community investment incentives helped public housing families achieve the American dream? : hearing ,* **Smart Investors Keep it Simple** Giovanni Rigters, 2023 It's a daunting task to figure out how the stock market works You've probably heard both good and bad things about it Still you want to learn more about the stock market It could also be that you want to start investing but don't know where to begin or how much to invest If you're already investing you want to learn better ways to grow your investments because you want to be more confident about your financial future Up until now you probably didn't have enough time to learn about investing and it might seem too confusing because there is so much information out there about investing You also don't want to lose your money or don't have enough money to begin investing What if you had the confidence to start investing on your own so you could show off your investment performance to family and friends Leave the stress of an insecure financial future behind you and create sustainable wealth which you can pass down to your family In this book I give you a quick overview about what you need to know about the stock market how to begin what to do if you don't have enough cash how to generate passive income and how to analyze companies I also give you a list of companies I personally invest in and I try to answer all the questions you might have that are stopping you from getting started or progressing in your investing journey I'll show you why you need to watch out with investment vehicles such as the 401K and index funds
