Mercer, Clarissa Smith, 2025-02-10 *Sexualised Masculinity Men's Bodies in 21st Century Media Culture* explores evolving portrayals of masculinity in contemporary media focusing on the increasing eroticisation of the male body. This book examines how traditional and digital media from films and television to social media platforms and fashion have transformed the ways masculinity is represented and perceived. Through a wide array of case studies it highlights how male bodies are now sites of erotic value challenging long standing norms and expectations. By exploring both global and local media John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality offering a critical perspective on how masculinity is consumed, performed and commodified in today's world. This book is essential for students and scholars in fields such as gender studies, media studies, cultural studies and social history and is particularly relevant for those interested in understanding the intersections of masculinity, media and sexuality in the 21st century. ***TikTok for Authors***, Discover how to leverage the power of TikTok to reach new readers, build a community and sell more books. Conrad Riker, Are you tired of constantly hearing about the progress of feminism while feeling like you're being left behind? Do you feel like your rights as a man are being compromised in the name of gender equality? Are you concerned about the future of your family and society as a whole? This powerful book sheds light on the underreported consequences of modern feminism and its impact on men's rights, family structures, and societal norms. A comprehensive analysis of the origins and progression of feminism, exploring its major milestones and shifts over time. An exploration of the impact of feminism on men's rights, examining the areas where it has negatively affected men. A discussion on the father's role and rights when it comes to abortion decisions and the potential impact on the child. An examination of the consequences of family court decisions on families, with a focus on collateral damage to children. An analysis of no-fault divorce laws and their impact on marriages, regardless of emotional state. A discussion on the use of consent theory to criminalize sex within marriage and how it can be manipulated by the whims of women. An overview of the global decline in birth rates, exploring potential contributing factors. A critical look at the influence of feminism on women's career choices and how this impacts personal lives and relationships. An exploration of the power dynamics of female voting blocks and their impact on executive positions. An in-depth analysis of the connections between feminism and cultural Marxism, including the use of Hegelian dialectic to force societal change. If you're ready to understand the true impact of modern feminism and how it is affecting your rights and your family, then this book is a must-read. Buy it today and join the growing movement of individuals who are standing up to protect the future of our society.
