The Fault in Our Stars - Behind the Story Esther Chinchilla, 2014-08-05 For readers January 10 2012 marks their first day in Hazel's world and for John Green the end of a decade long project Hazel was diagnosed with lung cancer at a young age but this has not stopped her from enjoying life or falling in love Hazel meets Augustus Walters who will become the love of her life Hazel and Augustus do not let their illnesses stop them from doing the things they want to do on the contrary it seems to motivate them While the subject of this story is a serious one Green who understands this decided to go along with it because he wanted readers to acknowledge that life is also about suffering and loss Green's friend Esther lost her life to cancer in August of 2010 and while her loss brought pain to her family and friends it also brought inspiration particularly to Green Join us as we explore the story of the novel to take you backstage for a fresh look at The Fault in Our Stars Experience The Behind the Story Effect After reading a BTS You feel inspired to follow your hearts and dreams Arshi Ever been backstage at a concert Here you go in written form Author Editor I felt enriched with knowledge about the book and I felt like I knew more about the book Aspiring Author I felt like the Behind the Story offered a new look into the book and appreciated that as most of the time that angle is unexplored Aspiring Author It makes me discover new things and when I re read the book my emotions are different deeper now that I understand what's behind the book Karlen I felt closer to the writer knowing more about them as a person and why they wrote what they wrote The Beta Reading Club Get ready for one of the most unique experiences you will ever have this is definitely CliffNotes and SparkNotes on Steroids Author Editor
