Hardcover Investing Simplified:

The 3 Simple Rules of Investing Michael Edesess, Kwok L. Tsui, Carol Fabbri, George Peacock, 2014-06-16 Don't believe the hype! Tips from financial professionals on recognizing and avoiding overpriced, overcomplicated and overly risky investments. What if the most effective investment portfolio was also the easiest to manage and the least expensive? As the authors of this clear, practical and enlightening book part financial guide, part exposé, prove there are just three simple rules you need to follow and only a few very inexpensive investment products that are necessary for an ideal portfolio. The authors deftly bust investing's myths, what they call investing's Seven Deadly Temptations, and dispense with all the complicated, confusing and self-serving advice of the Wall Street wolves. By embracing commonsense solutions and rejecting investments that seem enticing but are overpriced, needlessly complex and risky, you'll put not only yourself in a stronger position but the entire economy as well.

Real Estate Investing Made Simple Eric Anderson, Noelle Frieson Friedman, 2024-07-16 Practical and accessible guidebook to thrive as a real estate investor. Through the pages of *Real Estate Investing Made Simple*, Eric Anderson and Noelle Frieson Friedman, founders of The Center for Real Estate Education, one of the largest real estate schools on the East Coast, walk readers through everything they need to know to make money in real estate investing just as they've done by training over 15,000 students, changing the lives of countless prospective and current real estate investors and agents looking to build their dream career. *Real Estate Investing Made Simple* takes readers through personality assessments, explains how to approach a property investment and leverage your portfolio, and so much more. In this book, you'll find techniques that the authors not only teach but use in their own journeys to financial freedom as investors and developers. You'll also learn about important concepts such as knowing the why before you buy, finding your areas of strength and purpose, learning who you can trust for advice, building with leverage to create your portfolio, becoming a power player. Just as the authors have done with their incredibly popular courses, this book transforms content that is typically confusing and scary into a guidebook that is practical and accessible. No matter what level of knowledge you're starting with, the *Real Estate Investing Made Simple* is a must-read resource on any investor's journey to make money in real estate.
