Global Trend Gothic Fantasy:

Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists and media professionals who wish to stay updated on the recent shifts in public relations and media communication.

Hebrew Gothic Karen Grumberg, 2019-09-01 Makes a persuasive argument that gothic ideas play a vital role in how Hebrew writers have confronted history, culture and politics. Robert Alter, author of *Hebrew and Modernity*, sinister tales written since the early twentieth century by the foremost Hebrew authors including S. Y. Agnon, Leah Goldberg and Amos Oz, reveal a darkness at the foundation of Hebrew culture. The ghosts of a murdered Talmud scholar and his kidnapped bride rise from their graves for a nocturnal dance of death; a girl hidden by a count in a secret chamber of an Eastern European castle emerges to find that unbeknownst to her, World War II ended years earlier; a man recounts the act of incest that would shape a trajectory of personal and national history. Reading these works together with central British and American gothic texts, Karen Grumberg illustrates that modern Hebrew literature has regularly appropriated key gothic ideas to help conceptualize the Jewish relationship to the past and more broadly to time. She explores why these authors were drawn to the gothic, originally a European mode associated with antisemitism, and how they use it to challenge assumptions about power and powerlessness, vulnerability and violence, and to shape modern Hebrew culture. Grumberg provides an original perspective on Hebrew literary engagement with history and sheds new light on the tensions that continue to characterize contemporary Israeli cultural and political rhetoric.

Terrorism in Literature Bootheina Majoul, 2019-08-13 This volume celebrates literature as a strong subversive tool as an alternative for change through an exploration of terrorism in various literary works. It brings together scholars from all over the world, including Algeria, Argentina, Australia, Cameroon, Denmark, India, Italy, Tunisia, Turkey, and the USA, to offer their insights. As readers themselves, they share an eagerness to understand the psychopathological personalities circulating among us. They urge the reader to dig deep into literature to think, to cogitate, and to learn. One of the most important literary figures dealing with terrorism in his novels is the internationally acclaimed Indian writer Tabish Khair, who generously wrote the foreword to this volume. He sheds light on the possibilities offered by literature as a means of dissent and a powerful tool for truth telling.

Medievalisms in a Global Age Angela Jane Weisl, Robert Squillace, 2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa from Manila to New York Across the world revivals of medieval practices images and tales flourish as never before The essays collected here informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages explore the many facets of contemporary medievalism post colonial responses to the enforced dissemination of Western medievalisms attempts to retrieve pre modern cultural traditions that were interrupted by colonialism the tentative forging of a global medieval imaginary from the world s repository of magical tales and figures and the deployment across borders of medieval imagery for political purposes The volume is divided into two sections dealing with Local Spaces and Global Geographies The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography but as part of a larger transnational medievalist dynamic Those in the second focus on explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism A wide range of topics are addressed from Japanese manga and Arthurian tales to The O Trilogy of Maurice Gee Camus and Dungeons and Dragons

Global Indigenous Horror Naomi

Simone Borwein, 2025-04-15 Contributions by Katrin Althans Jayson Althofer Naomi Simone Borwein Persephone Braham Krista Collier Jarvis Shane Hawk Jade Jenkinson June Scudeler and Sabrina Zacharias *Global Indigenous Horror* is a collection of essays that positions Indigenous Horror as more than just a genre but as a narrative space where the spectral and social converge where the uncanny becomes a critique and the monstrous mirrors the human While contentions swirl around the genre category this exploratory anthology is the first critical edited collection dedicated solely to ways of theorizing and analyzing Indigenous Horror literature The essays curated by scholar Naomi Simone Borwein ask readers to consider what Global Indigenous Horror is and to whom The volume opens with a preface by international bestselling horror writer Shane Hawk enrolled Cheyenne Arapaho Hidatsa and Potawatomi descent followed by an overview of Global Indigenous Horror trends aesthetics and approaches The carefully selected contributions explore Indigenous Horror literature and mixed media narratives worldwide unraveling the intricate dynamics between the local and global traditional and contemporary and human and monstrous Contributor chapters are grouped not by geographical or cultural variation but along a spectrum from a strong emphasis on ways of knowing to a critical inspection of Horror through Indigenous Gothic aesthetics across cultural boundaries and against and beyond nation states *Global Science Fiction* Gary

Westfahl, 2025-06-09 Science fiction represents a diverse community of writers and readers that spans the entire world This collection provides a global tour of the genre with essays about Latin American European African Arabic Indian Japanese and Chinese science fiction providing insights about how writers around the world have explored and reinvigorated the genre Essays by prominent critics from five continents inform about particular cultures and analyze representative texts by authors such as Tobias S Buckell Lourenco Mutarelli Stanislaw Lem Masande Ntshanga Tawfiq Al Hakim Anil Menon and Cixin Liu The contributing scholars examine how national experiences have shaped these narratives which often differ strikingly from Anglo American science fiction An introductory survey of foreign language science fiction in the United States endeavors to explain why so many of these texts have remained unknown to Anglophone readers An extensive bibliography lists numerous resources for further study of science fiction from various parts of the world *Germans Going Global* Anke S.

Biendarra, 2012-10-30 *Germans Going Global* is the first monograph in English to address in depth the interrelatedness between contemporary German literature and globalization In an interdisciplinary framework and through detailed readings of a wide variety of texts the study shows how the challenges globalization has posed for Germany over the last two decades have been manifested and reimagined in aesthetic production Analyses of the literary marketplace and public debates illuminate the more material sides of this development The study also analyzes the ways in which German language writers born between 1955 and 1975 such as Chr Kracht Th Meinecke J Hermann S Berg F Illies K R ggla J v D ffel and G Hens respond to the pressures of globalizing factors and how these have influenced notions of authorship and literary aesthetics It shows how narratives dealing with the neoliberal work world global travel and the aftermath of 09 11 implicitly comment on

contemporary debates on globalization its socio economic nature and the impact for local culture By presenting a literary history of the present *Germans Going Global* deepens the reader s understanding of contemporary Germany and its cultural production

The Palgrave Handbook of Global Fantasy Elana Gomel,Danielle Gurevitch,2023-06-07 This handbook is the first of its kind comprehensive overview of fantasy outside the Anglo American hegemony While most academic studies of fantasy follow the well trodden path of focusing on Tolkien Rowling and others our collection spotlights rich and unique fantasy literatures in India Australia Italy Greece Poland Russia China and many other areas of Europe Asia and the global South The first part focuses on the theoretical aspects of fantasy broadening and modifying existing definitions to accommodate the global reach of the genre The second part contains essays illuminating specific cultures countries and religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature

Children, Youth, and International Television Debbie Olson,Adrian Schober,2022-03-29 This volume explores how television has been a significant conduit for the public consumption of changing ideas about children childhood and national identity via a critical examination of programs that prominently feature children and youth in international television The chapters connect relevant cultural attitudes within their respective countries to an analysis of children and or childhood in international children s programming The collection addresses how international children s programming in global and local context informs changing ideas about children and childhood including notions of individual and citizen identity formation Offering new insights into childhood and television studies this book will be of great interest to graduate students scholars and professionals in television studies childhood studies media studies cultural studies popular culture studies and American studies
