

NO FEE MINDFULNESS MEDITATION

"Mindfulness involves focusing your awareness on the present moment. It means paying attention to your sensations, feelings, thoughts, and environment in the here-and-now with an attitude of acceptance. Some of the potential benefits of mindfulness include lowering stress, decreasing depression, improving memory, and strengthening your relationships, among other things"

Cognitive-Behavioral Stress Management for Prostate Cancer Recovery Facilitator Guide Frank J. Penedo,Michael H. Antoni,Neil Schneiderman,2008-03-24 Men treated for localized prostate cancer have an excellent

medical prognosis but may have difficulty readjusting to life after surgery as a result of treatment related side effects. Changes in physical functioning and ongoing PSA monitoring due to the possibility of recurrence may bring added stress. Effective stress management is a key factor in increasing quality of life in this population and may play a role in maintaining overall health. Cognitive Behavioral Stress Management (CBSM) and relaxation training constitute the two components of this comprehensive program. Each session provides participants with stress management skills including cognitive restructuring, coping strategies, and social support. Participants practice a variety of relaxation methods such as progressive muscle relaxation, imagery, and meditation. Relevant issues for men having had prostate cancer such as sexuality and communication are also addressed. This guide is designed to be used in conjunction with the corresponding workbook which includes in-session exercises, monitoring forms, and homework assignments. Group meetings combined with home practice facilitate the application of effective stress management and relaxation techniques to the everyday lives of participants. Together, the guide and workbook include all the material and information needed to successfully implement this program.

TreatmentsThatWork™ represents the gold standard of behavioral healthcare interventions. All programs have been rigorously tested in clinical trials and are backed by years of research. A prestigious scientific advisory board, led by series Editor in Chief David H. Our books are reliable and effective and make it easy for you to provide your clients with the best care available. Our corresponding workbooks contain psychoeducational information, forms, and worksheets and homework assignments to keep clients engaged and motivated. A companion website, www.oup.com/us/ttw, offers downloadable clinical tools and helpful resources. Continuing Education (CE) Credits are now available on select titles in collaboration with PsychoEducational Resources, Inc. (PER).

Meditation Patrick J. Harbula, 2025-09-23. Meditation is an ancient practice that has brought peace and clarity to people from every time, culture, and place. Its benefits—a sense of calm, greater knowledge of self, better health—are as appealing to the modern world as they were to the ancient. In this beginner's guide to meditation, author Patrick Harbula provides readers with everything they need to know in order to experience deep meditation. Readers will learn the history of meditation, both Eastern and Western. The benefits of meditation for the mind, body, and spirit. Different forms of meditation practice. Supportive practices to enhance the benefits of meditation in daily living. Simple ways to begin meditation immediately and more. In addition, readers will also find simple techniques to deepen the meditation path for more experienced meditators. Meditation demystifies the often-times intimidating world of meditation, providing the perfect starting point for anyone looking to cultivate a sense of peace in their life.
