Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries Best Horror of the Year Ellen Datlow, 2021-11-16 From Ellen Datlow the venerable queen of horror anthologies New York Times comes a new entry in the series that has brought you stories from Stephen King and Neil Gaiman comes thrilling stories the best horror stories available For more than four decades Ellen Datlow has been at the center of horror Bringing you the most frightening and terrifying stories Datlow always has her finger on the pulse of what horror readers crave Now with the thirteenth volume of the series Datlow is back again to bring you the stories that will keep you up at night Encompassed in the pages of The Best Horror of the Year have been such illustrious writers as Neil Gaiman Stephen King Stephen Graham Jones Joyce Carol Oates Laird Barron Mira Grant and many others With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows The Best Horror of the Year chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers Story Virality Monica Leonelle, 2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren t always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here s the thing your back catalog is not dead weight You worked hard on your book or series and there s no reason you can t get it selling better Without having to write to a trend you re not passionate about Without having to add in tropes that don t make sense Without having to hire another editor editors can t fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that s selling right now Editing For Marketability is new and different It s an

advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a framework with six virality factors that helps you see where your book has marketing hooks and where it doesn't I teach you how to improve your marketability under each factor so you get to choose I also teach you how you can better emphasize the various hooks you already have in your book if you've already published and don't have time for a full edit You can use this framework to Make sure your next release is written to market Fix an underperforming first in series or other reader magnet so your series starts selling better Build a breakout book from the ground up to bring visibility to your entire catalog You become a creative to express yourself and share your stories Editing For Marketability helps you connect to a larger audience without sacrificing your characters plot or autonomy over your work
