Mathilda Holiday Full Series: A Fast-Paced Action-Packed Urban Fantasy Series Anna McCluskey, 2025-04-12

Enjoy this complete urban fantasy thriller series by fantasy author Anna McCluskey Magic is real and it's a bitch Mattie's life is going through a bit of a downward spiral these days So when she learns that Tillie her twin sister is missing she drops everything and rushes across the country to join her friend Trevor in the search As they start to dig they stumble across a secret room in Tillie's condo filled with crystal balls and books about magic Suddenly people all around them are doing spells manipulating time and disappearing into thin air and they soon realize they're in over their heads A group of powerful mages is hunting Tillie Will Mattie Tillie Trevor and their friends be able to defeat them or will they be crushed under the relentless heels of an ancient power Find out in this thrilling fast paced action packed urban fantasy series If you like diverse books with a unique magic system no romance and plenty of queer neurodivergent and BIPOC representation you'll love Mathilda Holiday

Excluded by Choice Federico R. Waitoller, 2020 It is the first book examining the experiences of Black and Latinx students with disabilities and their families with market driven educational policies It offers a unique theoretical contribution examining the relationship between disability race urban space and market driven educational policies It uses powerful and emotional narratives that unveil the collateral damages of market driven policies It explains how Black and Latinx parents of students with disabilities experience and resist pushout practices in charter schools It identifies the consequences of pushout practices in charter schools that are more severe than forcing parents to move to another school

Resources in Education, 2001-10 **Literacy Policies and Practices in Conflict** Nancy Rankie Shelton, Bess Altwerger, 2014-12-05 Current U S school reform efforts link school success student achievement and teacher performance to standardized tests and narrowly prescribed curricula How do test driven mandated curricula in urban school systems overtly and subtly impact teachers efforts to provide technologically advanced challenging classroom environments that foster literacy development for all students How do these federal policies affect instruction at the classroom level The premise of this book is that in order for teachers to confront and/or counteract the pressures placed on them from these policies it is necessary to first understand them This book takes a close look at the tensions that exist between federal mandates and contemporary literacy needs and how those tensions impact classroom practices Providing a clear sociopolitical overview and analysis it combines theoretical explanations with examples from current ethnographic research Readers are challenged to reconsider whether meeting test performance benchmarks should be the hallmark of school success when the goal of test performance supersedes the goal of producing highly literate productive citizens of the future
