The Kabbalist A Cinematic Novel:

The Kabbalist Semion Vinokur, 2012-01-01 At the dawn of the deadliest era in human history the 20th century a mysterious man appeared on the socio political scene carrying a stern warning for humanity and an unlikely solution to its suffering In his writings Kabbalist Yehuda Ashlag described in clarity and great detail the wars and upheavals he foresaw and even more strikingly the current economic political and social crises we are facing today His deep yearning for a united humanity has driven him to unlock The Book of Zohar and make it and the unique force contained therein accessible to all The Kabbalist is a cinematic novel that will turn on its head everything you thought you knew about Kabbalah spirituality freedom of will and our perception of reality It is the first book of its kind to try to convey the inner workings and sensations of a Kabbalist who reached the highest level of attainment a person who is in direct contact with the singular force governing all of reality The Kabbalist carries a surprising message of unity with scientific clarity and poetic depth It transcends religion nationality mysticism and the sheer fabric of space and time to show us that the only miracle is the one taking place within when we begin to act in harmony with Nature and with the entire humanity It shows us that we can all be Kabbalists *A Sage's Fruit vol.2* Baal HaSulam, 2015-06-16 For over sixty years some of the most powerful essays written by Rav Yehuda Ashlag known as Baal HaSulam Owner of the Ladder for his Sulam Ladder commentary on The Book of Zohar have been sealed and concealed In some the text has become indiscernible and the letters barely readable In some the text has been torn and some was lost For this reason ellipses are quite common either because the original text is incomplete or because it cannot be read with certainty And yet the authenticity of the texts and the content and message resonate from every page in this inspiring book You cannot truly understand Baal HaSulam until you read such seminal essays as 600 000 Souls Exile and Redemption or One Commandment *The Secrets of the Eternal Book* Semion Vinokur, 2013-06-14 The secrets of the eternal book decodes some of the Bible s most enigmatic yet oft cited epochs such as the story of Creation and the Children of Israel s exodus from Egypt The author s lively and easygoing style makes for a smooth entrance into the deepest level of reality where one changes one s world simply by contemplation and desire you will also discover the eternal love of the Creator who endowed us with the wondrous treasure of this hidden reality Page 4 of cover *The Egotist* Jesse Bogner, 2014-03-03 The Egotist tracks its author Jesse Bogner s development from a hedonistic New Yorker to a Kabbalist on a path to find the meaning of life This book offers a glimpse into the misunderstood world of Kabbalah and how the collective plea of Kabbalists has the power to correct the egos of individuals and the world at large Never before has a Kabbalah student in such excruciating detail illuminated the nature of his own spiritual development **Disclosing a Portion: the inner mechanics of the Torah** Michael Laitman, 2014-03-03 The Pentateuch or The Five Books of Moses is a fascinating odyssey of a nation in the making Yet underneath the tales that reveal human nature at its zenith and at its nadir lies an ocean of wisdom that if uncovered can alter reality itself Dr Michael Laitman s *Disclosing a Portion* the inner mechanics of

the Torah uncovers some of that wisdom in a manner none other has done before Throughout the year each week observant Jews read a different portion of the Pentateuch which they refer to as the Torah Each portion deals with a different topic and is titled according to the first word or words in the portion As you read through the portions you will discover that each of the protagonists in the stories we've known for so long is not a myth but a living force within These forces direct and determine your path in life and when you come to know them you come to know your true self Take your time to delve into the text and portion by portion you will find new meanings that will enrich and empower you as you become the happy confident person that you dream of being

The Writings of the Last Generation & The Nation Rav Yehuda Ashlag, 2015-06-15 On June 5 1940 Rav Yehuda Ashlag known as Baal HaSulam author of the Ladder for his Sulam ladder commentary on The Book of Zohar published the first copy of the paper The Nation In it he tried to offer a lasting solution to the causes of the Holocaust and to unite the people of Israel for he perceived its fragmentation as its prime impediment to happiness His efforts however were thwarted by Jews who opposed his views and that first issue became the only issue ever to be printed After World War II Baal HaSulam wrote extensively about the causes for the war and the solutions to anti-Semitism as he perceived them He never published these writings We have collected them and published them in The Writings of the Last Generation Nearly six decades later these writings are still immensely bold and thought provoking The insights within challenge our conventions and compel us to ask some probing questions about ourselves and our societies As you contemplate the content of these writings you cannot help but wonder what our world would be like had we known about them decades ago and what it will be like if we adopt even some of the ideas of this unlikely visionary henceforth

Reel Kabbalah Brian Ogren, 2024 Reel Kabbalah studies representations of esoteric Jewish conceptual traditions known as Kabbalah and Hasidism in five important fictional films from the first decade of the twenty-first century The book considers how film both stands in continuity with those traditions and modifies them in the New Age often mystical vein of what is known as neo Kabbalah and neo Hasidism

The Cinema House and the World Serge Daney, 2022-09-06 The writings of one of the greatest film critics of his generation on the auteur approach of the French New Wave to a more structural examination of film One of the greatest film critics of his generation Serge Daney wrote for Cahiers du Cinéma before becoming a journalist for the daily newspaper Libération The writings collected in this volume reflect Daney's evolving interests from the auteur approach of the French New Wave to a more structural examination of film psychoanalysis and popular culture Openly gay throughout his lifetime Daney rarely wrote explicitly about homosexuality but his writings reflect a queer sensibility that would influence future generations In regular intellectual exchanges with Gilles Deleuze Félix Guattari and Roland Barthes Daney wrote about cinema autobiographically while lyrically analyzing the

transition from modern cinema to postmodern media A noted polymath Daney also published books about tennis and Haiti s notorious Duvalier regime His criticism is open and challenging polyvocal and compulsively readable A History of Kabbalah Jonathan Garb,2020-07-23 Jonathan Garb s A History of Kabbalah From the Early Modern Period to the Present Day is a lucid and sophisticated account of the multifaceted nature of Jewish mysticism focusing on its development from the spiritual revolution that took place in Safed in the sixteenth century until the present Opening the secrets of the kabbalah to a wider audience Garb judiciously argued that how important the mystical and esoteric tradition has been in Jewish history and in the cultural and intellectual life of Europe more generally One of the more methodologically innovative aspects of Garb s book is his contention that kabbalah became a major factor in the religious life of Jews in the modern age due to print and others forms of rapid communication a process that has magnified significantly in recent years due to the digital revolution Informative and provocative A History of Kabbalah will surely be of interest to a wide readership **Scholar and Kabbalist: The Life and Work of Gershom Scholem** Mirjam Zadoff,Noam Zadoff,2018-10-02 The articles collected in Scholar and Kabbalist The Life and Work of Gershom Scholem present diverse biographical aspects and the scholarly oeuvre of arguably the most influential Jewish Israeli intellectual of the 20th century Immigrating to Palestine in 1923 Gershom Scholem became one of the founders of the Hebrew University in Jerusalem and was the first to establish Jewish Mysticism as a scholarly discipline The articles collected here reflect the diversity of Scholem s intellectual scope including his contribution to Jewish Studies as a scholar of Kabbalah religion and history as a bibliophile and an expert librarian of Judaica Central aspects of Scholem s impact on Jewish historiography literature and art in Israel Europe and the US are presented to the reader for the first time *Joseph Opatoshu* Sabine Koller,2017-12-02 At the turn of the twentieth century East European Jews underwent a radical cultural transformation which turned a traditional religious community into a modern nation struggling to find its place in the world An important figure in this Jewish Renaissance was the American Yiddish writer and activist Joseph Opatoshu 1886 1954 Born into a Hassidic family he spent his early childhood in a forest in Central Poland was educated in Russia and studied engineering in France and America In New York where he emigrated in 1907 he joined the revitalizing modernist group Di yunge The Young His early novels painted a vivid picture of social turmoil and inner psychological conflict using modernist devices of multiple voices and mixed linguistic idioms He acquired international fame by his historical novels about the Polish uprising of 1863 and the expulsion of Jews from Regensburg in 1519 Though he was translated into several languages Yiddish writing always fostered his ideas and ideals of Jewish identity Although he occupied a key position in the transnational Jewish culture during his lifetime Opatoshu has until recently been neglected by scholars This volume brings together literary specialists and historians working in Jewish and Slavic Studies who analyse Opatoshu s quest for modern Jewish identity from different perspectives The contributors are Shlomo Berger Amsterdam Marc Caplan Baltimore MD Gennady Estraiikh New York Roland Gruschka Heidelberg Ellie Kellman Boston Sabine Koller

The occult was a crucial influence on the Renaissance and it obsessed thinkers like Isaac Newton Works of brilliance sometimes even of genius were produced under the influence of occultism Yet not too infrequently it also opened the door on a peculiar kind of madness The Dedalus Book of the Occult celebrates the influence of occult thought and sensibility on some of the central poets and writers of the last two centuries beginning with the Enlightenment obsession with occult politics through the Romantic explosion the paradoxically decadent and futuristic occultism of the fin de siecle and the deep occult roots of the modernist movement Swedenborg Baudelaire Huysmans and Strindberg are only some of the names to feature in this hidden history of western thought Fault Lines of Modernity Kitty Millet,Dorothy Figueira,2018-09-20 This state of the art collection offers fresh perspectives on why intersections between literature religion and ethics can address the fault lines of modernity and are not necessarily the cause of modernity s faults From a diverse cohort of scholars from around the world with appointments in comparative literature and other disciplines the essays suggest that the imagined hegemony of a Judeo Christian Western project is neither exclusively true nor productive However the essays also suggest that elements of the Western religious traditions are important vectors for understanding modernity s complicated relationship to the past
