

MY REVIEW :

THE POWER OF YOUR SUBCONSCIOUS MIND is a classic self-help book written by Dr. Joseph Murphy.

It was originally published in 1963. The author has shared his experimental analysis and spiritual enlightenment to help readers in their everyday life.

We have 2 types of **DRAIN:**

- **CONSCIOUS**
- **SUBCONSCIOUS**

The subconscious mind works non-stop even when we sleep - in this novel, we are learning how to use our subconscious mind to change our responses and habits towards any situation or person.

When I first started reading book - i felt bored and frustrated and dropped but recently I picked it again and this time the content appeared to be more likeable.

The book is written lucidly and one can connect with the incidents efficiently. Negative thoughts always appear in ones mind but a few can convert them into Positive Ones - By Using their subconscious Mind.
