Lundby,2008 Recent years have seen amateur personal stories focusing on me flourish on social networking sites and in digital storytelling workshops The resulting digital stories could be called mediatized stories This book deals with these self representational stories aiming to understand the transformations in the age old practice of storytelling that have become possible with the new digital media Its approach is interdisciplinary exploring how the mediation or mediatization processes of digital storytelling can be grasped and offering a sociological perspective of media studies and a socio cultural take of the educational sciences Aesthetic and literary perspectives on narration as well as questioning from an informatics perspective are also included **Why don't you just leave him?** STACEY JAMESON,2023-09-11 This honest and open autobiography is the true story of a young woman trapped in a relationship that was violent and abusive Coercive control drove her to the depths of despair Stacey Jameson had a lack of self esteem derived from her early childhood Growing up and dealing with her parents divorce she felt she was nothing more than an inconvenience to her depressive mother With severe feelings of inadequacy she was desperate to be loved and feel that she belonged When she was a teenager she met Leon and fell in love She had never been so happy They had one common denominator they were both brought up in volatile homes This was the foundation for a turbulent and destructive relationship Stacey was welcomed with open arms into the bosom of Leon s dysfunctional family naive and impressionable she finally felt secure and loved Stacey s childhood had made her timid and compliant Leon s childhood had made him controlling and narcissistic Gradually Stacey found herself in an unhappy relationship where her partner thrived on being abusive yet she still loved him Coercively controlled into doing things that were not part of her character she was so manipulated she believed she did not deserve any better So often people look on with judgement at others who are in an abusive relationship and say Why don t they just leave Stacey s story just one of millions describes her journey and why it s not so simple to Just leave for people who find themselves caught up in a destructive relationship that they cannot escape from 2nd Edition **Moms** Diane Gilstrap,2025-09-24 The traditional

model of God as a Father is often rejected by people who have a difficult time embracing a masculine deity especially those who have been abused by men But the good news is that the God of the Bible encompasses all of the best qualities of all of humanity because as Genesis 1 27 tells us He created both male and female in His image Every good quality that we have is a reflection of Who He is since Every good gift and every perfect gift is from above and comes down from the Father of lights with whom there is no variation or shadow of turning James 1 17 NKJV I never understood the depth of God s love that is mentioned in 1 John 4 8 which states that God is love However when I became a mother the amount of love that I had for my

children surprised me As I thought about how much more God with His infinite love cared about me I began to realize that some of His attributes could be better understood by examining the characteristics of mothers Good mothers are the same worldwide in both humans and animals They feed nourish protect and teach their children They provide discipline and consistency They inspire deep feelings of loyalty in their offspring These are qualities that God instilled in all women whether biological mothers or not This book will take the reader through the ways that mothers are portrayed in the Bible and throughout history It provides scripture verses that highlight these divine attributes with examples and stories You will recognize the women that are being described both from personal experience and in the mothers around you You will get a better idea of the complete picture of God If you ve been hurt you will find a God Who you can trust Who loves you perfectly and will never betray you You will learn more about His heart for you His desire to bring you into His family and Who wants to draw you closer to Him than you ve ever been before
