Hope Springs Jayne Rylon, Mari Carr, 2017-04-17 What will grow from the seeds of desire Hope Compton never considered her parents unconventional relationship a dangerous thing Until after a few too many drinks in a crowded bar she admits her desire for a man to her college boyfriend and uninvited guests try to turn her fantasy into a nightmare When Wyatt catches some thugs harassing the pretty daughter of his bosses he doesn't hesitate to call on his partner Clayton to kick some asses But then he realizes what a temptation the sweet sheltered Hope presents Especially her naughty wish to unleash her inner vixen with both of them Hope has no doubt her playmates want to fulfill her every desire but something's holding them back She has an idea what those somethings are With luck and a little help from her Compass cousins to hold her fathers off she'll find what she needs in the shadows of the past and convince them she's found two men of her own who are worthy of her love Warning Compass books bring love in every direction and every season But not all of life's moments are filled with joy Take the good with the bad and the steamy

Falling Softly Jayne Rylon, 2017-05-01 Darkness has crept into Sterling Compton's charmed life relentlessly stealing what's left of her grandmother's memories When she happens upon a compelling stranger leaning against a broken down pickup in the middle of nowhere grief and a gut deep attraction spur her to take that too safe life by the horns From the instant Sterling emerges from her Jeep Viho is drawn to her carefree spirit Her innocent offer of a ride turns into the ride of his life in his truck bed and he forgets why he meant to avoid Compton Pass at all costs He should have known that karma was waiting to laugh in his face Especially when Viho figures out Sterling's father is the one who stood between him and the man he should have called father Yet it's tough to hate someone who offers him a job Especially when he and Sterling realize there's a living tie on the way that will bind Viho to her family forever if he can convince her she's much more to him than an obligation Warning Sometimes it's hard to let go but every story has an ending This one has a Native American hero with a chip on his shoulder the size of Wyoming and a vulnerable heroine who has a gift for polishing up diamonds in the rough Some scenes may tug heartstrings so hard it'll hurt but the oh my god orgasms make up for it

Hot Rods Jayne Rylon, 2018-04-10

4-Ever Mine Jayne Rylon, 2018-03-27 A year after Andi claimed her three smoking hot roommates for her own she's finally emerging from a blissful haze of lust long enough to look around and realize things aren't quite as amazing as they could be While she and her boyfriends have an incredible sex life they haven't fully embraced their relationship in public When someone puts one and three together outing them from the polyamorous closet they have to decide where to go next Will they be able to stay together or will reality tear them apart

The Funniest One in the Room Kim Howard Johnson, 2008-04-01

Nichols and May, John Belushi, Bill Murray, Chris Farley, Tina Fey, Mike Myers, Stephen Colbert. For nearly a half century, Del Close, cocreator of the Harold Lloyd director for the Second City, San Francisco's the Committee, and the Improv Olympic, and house metaphysician for Saturday Night Live, influenced improvisational theater's greatest comedic talents. His students went on to found the Groundlings in Los Angeles, the Upright Citizens Brigade in both New York and Los Angeles, and the Annoyance Theatre in Chicago. But this Pied Piper of improv has gone largely unrecognized outside the close-knit comedy community. Del was never one to let the truth of his life stand in the way of a good story, and yet the truth is even more fascinating than the fiction. In his early years, he traveled the country with Dracula's Den of Living Nightmares, knew L. Ron Hubbard before Scientology, and appeared in The Blob. Del cavorted with the Merry Pranksters, used aversion therapy to recover from alcoholism, and kicked a cocaine habit with the help of a coven of witches. And when he was dying, Del bequeathed his postmortem skull to the Goodman Theatre for use in its productions of Hamlet, a final legend that lives on long beyond the death of the father of long-form improvisation.
