The SAGE Handbook of Writing Development Roger Beard,Debra Myhill,Jeni Riley,Martin Nystrand,2009-07-09

Writing development is currently the focus of substantial international debate because it is the aspect of literacy education that has been least responsive to central government and state reforms Teaching approaches in writing have been slower to change than those in teaching reading and pupil attainment in writing has increased at a much more modest rate than pupil attainment in reading This handbook critically examines research and theoretical issues that impact on writing development from the early years through to adulthood It provides those researching or teaching literacy with one of the most academically authoritative and comprehensive works in the field With expert contributors from across the world the book represents a detailed and valuable overview of a complex area of study

Increase Your Handwriting Speed Ramesh Rana,2014-05-22 This book is a result of more than five years of keen observations and analysis followed by two years of experimentation It is NOT ANOTHER BOOK ON CURSIVE WRITING Normal writing is not cursive writing It does not have well set rules for definite shapes of alphabets and strokes It is flexible and yet has an identity smooth flow rhythm and legibility This book is for making normal handwriting faster It also elaborates the techniques of inceasing and decreasing the size of handwritten alphabets taking notes with faster speed and logical changes in connective strokes The seventeen chapters of the book cover almost everything required for legible fast and beautiful handwriting The techniques given in the book are equally useful for students of all age groups teachers and parents
