Soviet Foreign Policy Today Robert F. Miller, 2022-12-28 Soviet Foreign Policy Today 1991 is the culmination of almost 30 years of observations of Soviet foreign and domestic politics written at the time of Gorbachev's great changes It locates the changes of Gorbachev in the context of the traditional goals and practices of Soviet foreign policy and it does not shy away from presenting seemingly controversial interpretations of the USSR's international politics

A National Asset Desmond Ball, Andrew Carr, 2016-08-26 This volume commemorates the 50th anniversary of the Strategic and Defence Studies Centre SDSC The Centre is Australia's largest body of scholars dedicated to the analysis of the use of armed force in its political

context and one of the earliest generation of post World War II research institutions on strategic affairs The book features chapters replete with stories of university politics internal SDSC activities cooperation among people with different social and political values and conflicts between others as well as the Centre's public achievements It also details the evolution of strategic studies in Australia and the contribution of academia and defence intellectuals to national defence policy

Australian National Bibliography ,1978 Europe and Asia in Space ,1991 Intelligence Services in the Information Age Michael Herman,2013-02-01 Intelligence was a central element of the Cold War and the need for it was expected to diminish after the USSR's collapse yet in recent years it has been in greater demand than ever The atrocities of 11 September and the subsequent war on terrorism now call for an even more intensive effort Important questions arise on how intelligence fits into the world of increased threats globalization and expanded international action This volume contains the recent work on this subject by Michael Herman British intelligence professional for 35 years and Oxford University academic It compares intelligence with other government information services and discusses the British intelligence system and the case for its reform It also addresses the ethical issues raised by intelligence's methods and results do they on balance make for a better world or a worse one Other chapters explore a wide range of intelligence topics past and present including the transatlantic relationship the alliance strategies of Norway and New Zealand Mrs Thatcher's de unionization of British Sigint and personal memories of the British Cabinet Office in the 1970s Michael Herman argues for intelligence professionalism as a contribution to international security and for its encouragement as a world standard The modern challenge is for intelligence to support international cooperation in ways originally developed to advance national interests while at the same time developing some restraint and international rules of the game in the use of intrusive and covert methods on its traditional targets The effects of 11 September on this challenge are discussed in a thoughtful afterword
