Speaker Guide 5th Edition:

A Manager's Guide to Human Behavior, Fifth Edition Matthew Reis, Judith B. Geller, 2010 Understanding how and why employees behave as they do is a critical skill for managers in every organization. Managers are responsible for ensuring that the organization's mission and strategic goals are enacted so it is of the utmost importance they know how to motivate and engage employees. This updated and revised edition of *A Manager's Guide to Human Behavior* will prepare managers to better understand, motivate, and focus the energies of individual employees and the collective energy of their work teams. Building on the content in the fourth edition, this updated course reexamines key theories and focuses on their practical application to typical management situations. New topics in this edition include learning organizations and open systems as a context for understanding how individuals contribute to organizational effectiveness, self-awareness, Goleman's emotional intelligence, and Bridge's transitions model of change. The performance management section has been enhanced with a simplified process model, define, develop, review, and reward, and the section on leadership examines the concept of the versatile leader who engages the spirit, head, heart, and hands of employees. Throughout the course, self-assessments, worksheets, checklists, and questionnaires give students the opportunity to apply what they are learning. Each chapter incorporates an action plan tied to the objectives and competencies for the topic area. Short case studies enable students to apply their new knowledge to analyze, understand, and influence human behavior.

INTRO: A Guide to Communication Sciences and Disorders, Fourth Edition Michael P. Robb, 2023-11-29 With its engaging color layout and easy-to-read writing style, *INTRO: A Guide to Communication Sciences and Disorders, Fourth Edition* is designed for undergraduate students with an interest in entering the field of communication sciences and disorders. *INTRO* is an introduction to the professions of speech-language pathology and audiology and the underlying discipline on which they are based: communication sciences and disorders. The text provides essential information concerning a wide range of communication disorders found in children and adults. The structure of the book is consistent across chapters to assist beginning students in grasping new vocabulary and concepts. An introduction to each of the various disorders includes some of the fascinating historical background surrounding each disorder as well as current theories. A portion of each chapter is dedicated to diverse and cultural aspects of communication disorders as well as prevalent information about various communication disorders as found in English-speaking countries around the world, including Australia, Canada, the United Kingdom, the United States, and New Zealand. New to the Fourth Edition: New chapters: A new chapter on autism spectrum disorder. The original chapter covering neurogenic communication disorders has been divided into separate chapters on neurogenic language disorders and motor speech disorders. Updated history section for each chapter profiling the diverse contributions from individuals to the field of communication sciences and disorders. Updated the Cultural Considerations for each chapter. Key Features: Solo authorship ensures a cohesive writing style throughout the book. A strong international focus. Each chapter begins with learning

objectives and ends with study questions to review key concepts Bolded key terms and a comprehensive glossary improve retention of the material The text includes real life examples in the form of video links to help reinforce the information in the text Each chapter provides a focus on past and present FYI boxes call out interesting and novel information Full color design and images to engage undergraduate students Disclaimer Please note that ancillary content such as practice Quizzes and eFlashcards are not included as in the original print version of this book
