**The Power of Tongues** ,2005     An Essential Guide to Speaking in Tongues Ron Phillips,2011-06-07 This book is part of the Foundation Series by Pastor Ron Phillips The series will contain books describing the basic foundational truths for the Spirit filled believer An Essential Guide to Speaking in Tongues will describe the author s own experience with speaking in tongues The author brings great balance to this topic and helps readers to understand that speaking in tongues is a blessing of God that gives us the ability to boldly approach God s throne with the Holy Spirit s power and language     **Hidden Power of Speaking in Tongues** Mahesh Chavda,2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book They Speak with Other Tongues The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift     **Audacity of Speaking in Tongues** Oppong Kyekyeku,2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom Many doubts which surrendering it are creating fear instead of faith for its authenticity meanwhile Jesus promised every believer as one of the signs to follow us Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told     **Tongues, to Speak Or Not to Speak** Donald W. Burdick,1969 Tongues to speak or not to speak That is the question and Donald W Burdick gives the answer An answer that is biblically sound scholarly and current It has to be current because the question is Glossolalia speaking in tongues is receiving national attention Both Time and Newsweek have recently featured articles on how tongues is now an accepted practice even in many of the old line denominational churches Many questions are being asked How can this new flourish be explained Is it a renewal of the New Testament phenomenon Is it something to be sought after These and similarly provocative questions are carefully discussed by Dr Burdick He analyzes evaluates and then lists all possible explanations of the current reenlistment to the movement More than that he provides background material essential to an effective evaluation Back cover     Glossolalia H. Newton Malony,A. Adams Lovekin,1985 Glossolalia or speaking in

tongues has evoked much speculation as to its causes and meanings. Primarily occurring in instances of religious fervor, glossolalia's recent linkage to psychopathic behavior has prompted numerous studies by social and behavioral scientists. This book summarizes and interprets all of the research done on this phenomenon. The authors explore the different types and settings of glossolalic expression in contemporary Western religion and consider the phenomenon from the perspectives of sociology, psychology, and linguistics. Numerous case studies are included as well as an abundance of the authors' own research on the subject. Glossolalia will be of particular interest to those in the fields of sociology and psychology and to those engaged in counseling glossolalic individuals.

*The Unseen Dynamics of Speaking in Tongues* Steven Adi, 2018-05-23

Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before. Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind. There are certain questions you have always pondered upon while considering the subject of speaking in tongues. A number of them highlighted below: Why did God decide that we Christians should pray with other tongues? Have you ever wondered the operations that go on spiritually on account of our prayer in tongues? What are the realities and facts that distinguish praying in tongues from praying normally? How much are we able to achieve within a short while when we pray in tongues? Ever wondered what is the best mode of prayer? Is it possible that Satan can block the answers to our prayers from reaching us? Why was the answer to Daniel's prayers delayed by the Prince of Persia? How can our prayers address the things that we do not have knowledge of? *The Unseen Dynamics of Praying in Tongues* reveals all these mysteries and much more as you read through. The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues. It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues, highlighting also the analysis and technical aspects of speaking in tongues. This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues.

*Voices from the Gods* David Christie-Murray, 2019-03-20

Glossolalia, paranormal speaking in tongues, and xenolalia, paranormal speaking in allegedly foreign languages, are features of many sub cultures and religions. The most obvious example is Pentecostalism where every believer in many denominations is expected to speak in tongues at least once, the gift in other cultures being limited to individuals, shamans, and mediums. This book, first published in 1978, surveys the practice of speaking in tongues in anthropology, Christianity, and spiritualism and provides an analysis of the psychological, theological, and linguistic considerations of the phenomenon.

*The Speaking in Tongues Controversy* Rick Walston, 2005-09-27

What others are saying: As an AG minister, I was especially interested in Dr. Walston's discussion of this topic. I found his arguments lucid, biblical, exegetical, and convincing. Rev. Kevin Potts, Ph.D. Candidate, Chaplain. Dr. Walston has

thrown a big wrench into my tongues as evidence doctrinal gears I am now working through what I thought was a foundational doctrine that I also thought was settled long ago This book should be required reading for people on both sides of this issue Dr Denny Nissley AG minister Director of Christ in Action Ministries Many books and articles have been written in defense of speaking in tongues as the unmistakable physical evidence of the Baptism in the Holy Spirit Through his careful and thorough analysis of the Pentecostal texts in the Book of Acts Dr Walston is challenging this view This book is beyond doubt one of the most thought provoking analyses on this theme I have ever read Nils Olov Nilsson Th D Swedish Missionary and Theologian with the Swedish Pentecostal Movement      **Why You Should Speak in Tongues** Norvel Hayes, 2002-04-01 What if you could pray perfect prayers prayers that would unleash the full power of God in your life and the lives of others God has given you the power of His Holy Spirit alive and active in your life His Spirit provides the means for you to pray the prayers to unlock all the power of heaven In this short book Norvel Hayes explains the
