Spectacular Shakespeare Spectacular Shakespeare:

Spectacular Shakespeare Courtney Lehmann, Lisa S. Starks, 2002 Spectacular Shakespeare includes an introduction nine essays and an afterword that all address the spectacle of Shakespeare in recent Hollywood films The essays approach the Shakespeare as star phenomenon from various perspectives some applauding the popularization of the Bard others critically questioning the appropriation of Shakespeare in contemporary mass culture *The Spectacular In and Around Shakespeare* Pascale Drouet, 2009-05-27 This volume addresses the economy of the spectacular in and around Shakespeare's plays both in early modern England and in late twentieth century adaptations and appropriations Apart from addressing issues such as implausibility tours de force arousing amazement and excess for the sake of entertainment it raises the question of intentionality what is behind the spectacular Is there always a manipulative purpose How far reaching are the political and ideological stakes The contributors to this volume investigate a broad spectrum of particular phenomena the spectacular sound effects and pyrotechnics displayed for the opening of the Globe theatre with Julius Caesar on performance George Gascoigne's lavish 1575 pageant commissioned by the Earl of Leicester for the queen at Kenilworth The Princely Pleasures the relationship between the spectacular and scientific discoveries as well as their dialectics of appropriation the impact of Mannerist art on The Winter's Tale Coriolanus resistance to ostentation and political shows the anti spectacular counter current running through Timon of Athens Julia Pascal's innovative 2007 stage production of The Merchant of Venice apocalyptic screen adaptations of turn of the century Jacobean tragedies and Richard III's potential to be graphically interpreted in 2008 as political satire and as a danse macabre **Shakespeare's Fans** Johnathan H. Pope, 2019-12-05 This book examines Shakespearean adaptations through the critical lens of fan studies and asks what it means to be a fan of Shakespeare in the context of contemporary media fandom Although Shakespeare studies and fan studies have remained largely separate from one another for the past thirty years this book establishes a sustained dialogue between the two fields In the process it reveals and seeks to overcome the problematic assumptions about the history of fan cultures Shakespeare's place in that history and how fan works are defined While fandom is normally perceived as a recent phenomenon focused primarily on science fiction and fantasy this book traces fans practices back to the eighteenth century particularly David Garrick's Shakespeare Jubilee in 1769 Shakespeare's Fans connects historical and scholarly debates over who owns Shakespeare and what constitutes an appropriate adaptation of his work to online fan fiction and commercially available fan works Impressive Shakespeare Harry Newman, 2019-01-16 Impressive Shakespeare reassesses Shakespeare's relationship with print culture in light of his plays engagement with the language and material culture of three interrelated impressing technologies wax sealing coining and typographic printing It analyses the material and rhetorical forms through which drama was thought to imprint early modern audiences and readers with ideas morals and memories and looking to our own cultural moment shows how Shakespeare has been historically constructed as an impressive dramatist Through material

readings of four plays Coriolanus A Midsummer Night's Dream Measure for Measure and The Winter's Tale Harry Newman argues that Shakespeare deploys the imprint as a self-reflexive trope in order to advertise the value of his plays to audiences and readers and that in turn the language of impression has shaped and continues to shape Shakespeare's critical afterlife The book pushes the boundaries of what we understand by print culture and challenges assumptions about the emergence of concepts now central to Shakespeare's perceived canonical value such as penetrating characterisation poetic transformation and literary fatherhood Harry Newman's suggestive analysis of techniques and tropes of sealing coining and printing produces a revelatory account of Shakespearean creative poetics It's sustainably startling in its rereading of familiar lines but the chapter I found most original is on Measure for Measure Newman is the first critic to attempt to interpret the play's authorial status as part of its own thematic and linguistic interrogation of illegitimacy and counterfeiting He makes authorship matter in a literary and creative rather than a quantitative and statistical sense Impressive Shakespeare is a brilliant scholarly debut Emma Smith Editor Shakespeare Survey Professor of Shakespeare Studies Hertford College Oxford

Almost Shakespeare James R. Keller, Leslie Stratyner, 2004-09-28 In the past two decades Othello has tried out for the basketball team Macbeth has taken over a fast food joint and King Lear has moved to an Iowa farm Shakespeare is everywhere in popular culture This collection of essays addresses the use of Shakespearean narratives themes imagery and characterizations in non-Shakespearean cinema The essays explore how Shakespeare and his work are manipulated within the popular media and explore topics such as racism jealousy misogyny and nationality The submissions concentrate on film and television programs that are adaptations of Shakespearean plays including My Own Private Idaho CSI Miami A Thousand Acres Prospero's Books O 10 Things I Hate About You Withnail and I Get Over It and The West Wing Each chapter includes notes and a list of works cited A full bibliography completes the work it is divided into bibliographies and filmographies general studies and essays derivatives based on a single play derivatives based on several and derivatives based on Shakespeare as a character Instructors considering this book for use in a course may request an examination copy here

Shakespeare's Women and the Fin de Siècle Sophie Duncan, 2016 Sophie Duncan illuminates iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and careers of the actresses who played them Duncan draws on a wealth of archival material to explore the vital ways in which fin de siècle Shakespeare and Victorian theatre culture conditioned each other

Shakespeare, The Movie II Richard Burt, Lynda E. Boose, 2004-02-24 Following on from the phenomenally successful Shakespeare The Movie this volume brings together an invaluable new collection of essays on cinematic Shakespeares in the 1990s and beyond Shakespeare The Movie II focuses for the first time on the impact of postcolonialism globalization and digital film on recent adaptations of Shakespeare takes in not only American and British films but also adaptations of Shakespeare in Europe and in the Asian diaspora explores a wide range of film television video and DVD adaptations from Almereyda's Hamlet to animated tales via Baz Luhrmann Kenneth Branagh

and 1990s Macbeths to name but a few offers fresh insight into the issues surrounding Shakespeare on film such as the interplay between originals and adaptations the appropriations of popular culture the question of spectatorship and the impact of popularization on the canonical status of the Bard Combining three key essays from the earlier collection with exciting new work from leading contributors Shakespeare The Movie II offers sixteen fascinating essays It is quite simply a must read for any student of Shakespeare film media or cultural studies

Shakespeare on screen : Macbeth Sarah HATCHUEL, Nathalie VIENNE-GUERRIN, Victoria BLADEN, 2013-12-20 This addition to the Shakespeare on Screen series reveals the remarkable presence of Macbeth in the global Shakespearean screenscape What is it about Macbeth that is capable of extending beyond Scottish contexts and speaking globally locally and globally Does the extensive adaptive reframing of Macbeth suggest the paradoxical irrelevance of the original play After examining the evident topic of the supernatural elements the witches and the ghost in the films the essays move from a revisitation of the well known American screen versions to an analysis of more recent Anglophone productions and to world cinema Asia France South Africa India Japan etc Questions of lineage and progeny are broached then extended into the wider issues of gender Finally ballet remediations filmic appropriations citations and mises en abyme of Macbeth are examined and the book ends with an analysis of a Macbeth script that never reached the screen Ce nouvel ouvrage de la série Shakespeare lecran révèle la présence remarquable de Macbeth dans le paysage filmique shakespearien à l'échelle mondiale Comment expliquer qu'une pièce dont l'intrigue est ancrée dans une nation ait pu être absorbée par des cultures aussi diverses Les multiples adaptations de Macbeth suggèrent-elles de manière paradoxale une moindre pertinence de la pièce originelle Après avoir exploré la représentation des éléments surnaturels les sorcières et le fantôme le volume revisite les films américains canoniques les productions anglophones plus récentes et les versions d'autres aires culturelles Asie France Afrique du Sud Inde Japon etc Les questions de lignée et de descendance sont abordées puis prolongées dans des articles sur la représentation du genre Les versions dans les appropriations les citations et les mises en abyme de Macbeth sont ensuite analysées et ce parcours mène un étrange objet scénaristique non film
