*The Path to Love* Deepak Chopra, M.D., 1998-01-12 NEW YORK TIMES BESTSELLER A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love your life for restoring the boundless soul of love and for finding romance that will last a lifetime Drawing on the Vedic texts of India and other great wisdom traditions Dr Deepak Chopra describes the seven stages of love beginning and culminating in ecstasy At each stage we hear stories like those of Clare who only falls in love with unattainable men of Frankie and Della whose eight year old marriage has become a battleground of distrust and of Gail and Jarrett who near retirement without understanding how they will fit together into their new lives As we see these couples overcome their obstacles and as we work through a series of specific exercises we anchor these lessons in our own experience We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves but this task has often proved too difficult Until now In *The Path to Love* you will find an astonishing blueprint to the uncharted territory of your own heart First Dr Chopra orients us with timeless wisdom and contemporary real life examples then guides us step by step on the path to love And once we discover the love inside ourselves we start to see it everywhere in lovers husbands wives mothers fathers brothers sisters friends until our own lives become self sustaining acts of passion romantic and fulling and miraculous
