

The background of the slide is an abstract representation of fluid dynamics. On the left, a solid teal-colored area transitions into a white, curved shape that contains the title. To the right of the white shape, the background is filled with a complex pattern of concentric, swirling lines in shades of blue, green, and red, resembling a vortex or a cross-section of a fluid flow. Numerous yellow arrows of varying sizes are scattered across the image, many pointing towards the right, suggesting a direction of flow or a vector field.
